STUDENT MANUAL: To clarify the regulation which was inadvertently omitted from the Student Manual: "No student is to be permitted to engage in the selling of new or second-hand books within the confines of the Seminary except by special permission of the Administration and Faculty." This rule does not apply to the sale of books from a previous year which a student may wish to pass along to another, nor does it apply in the case of small personal items which the student wishes to dispose of on a second-hand basis. But, in the case of several books or continuous selling of books, and items, the student must contact the Bookstore which stands ready to handle the sale of such on behalf of students. This prohibition applies to the sale of any articles of merchandise in the nature of a concession.

BAG LUNCHES - All students bringing bag lunches please use the basement room for eating. Please do not eat food in the chapel or on the patios.

SEMINARY BULLETINS - The quarterly Fuller Seminary Bulletin is ready to be mailed out. There is just the little matter of "stuffing" over 7,000 envelopes with the Bulletins. If you would like to donate a few minutes or a few hours of your time today or tomorrow, go to the basement of 125 N. Oakland, where Miss Peterson will be glad to put you to work.

LANGUAGE TUTORS NEEDED - Our Lord said, "Go...teach all nations...teaching them to observe all things whatsoever I have commanded you..." Representatives from over 35 different countries are attending PCC learning our language through private tutoring. Some of the Seminary students have been assisting on Friday afternoons and often find opportunities to witness. If you desire to share this blessing, contact Saburo Masada or Marlin Nelson.
