A Letter from the ASC President

Dear Sisters and Brothers,

Greetings in the name of the Lord! I consider this opportunity to address the Fuller community a great privilege and I would like to take this occasion to thank Vicki Luna, the SEMI Editor, for her initiative in creating a column for the ASC (see second page). On behalf of the All Seminary Council, “Thank you, Vicki, we do appreciate your concern!”

First of all, I want to reiterate to all of you, Administration, Staff, Faculty and Students, that the group of persons elected and appointed as ASC officials are committed servants of our Lord and Savior, Jesus Christ. Our main goal is to create channels of communication and mutual understanding between us all in order to facilitate Christian community in our midst. Part of our “mission” is to help the Fuller community understand many of the struggles that the extended Christian community is experiencing outside of our campus. Therefore, you should expect to see many of us involved in public events throughout our campus. We are sure that the process of raising peoples’ consciousness about some of the issues that their brothers and sisters are struggling with, will help us be more tolerant and most of all, help us love one another, just as we are.

All of our activities are open to the entire community, so please join us. Our sports program welcomes every one in our community to participate, be it with a sports team, the Pasadena Athletic Club, YMCA, or Nautilus Plus. Fuller After Dark, our informal social sharing at the Catalyst each Friday evening, also welcomes you all. In addition to these activities, many other projects and services on our campus are sponsored by student government and we are very pleased to be such facilitators.

Dear friends, we do care and we encourage you to keep us informed of your ideas and concerns.

In Christ,

ASC President

Prayer Continues for the War in the Persian Gulf

Human Resources Dept Provides "Yellow Ribbons" for Loved Ones

The yellow ribbons tied to the tree in the Prayer Garden represent individuals in active duty in the Persian Gulf. The Office of Human Resources is sponsoring a prayer vigil for our brothers and sisters whose lives are being threatened. You are invited to add the names of anyone you know, directly or indirectly, who is over in the Gulf. Just write their name on the yellow ribbons provided and tie it to the tree so that their names will be included in our prayers. Please invest at least 3-5 minutes of your time to lift them up to God, for He has committed Himself to answer our prayers.
The All Seminary Council (ASC) is YOUR student government. It is comprised of elected ASC personnel, Graduate Union (GU) Presidents, Vice-Presidents and Co-Presidents and appointed concern Committee Chairpersons. We represent the students concerning campus-wide policy, facilitate change on behalf of students, offer projects and services to the students, faculty, and administration and serve as a resource to students.

The ASC meets every other Friday to discuss issues pertinent to the GU’s, Concern Committees, and the ASC cabinet. Then, on the other Fridays, campus issues are discussed. If you have concerns that you would like to discuss at the meetings, please contact your GU representative or the ASC office and it will be brought up at the meeting. Approved minutes from past ASC meetings are posted outside the ASC offices and will be highlighted in upcoming issues of the SEMI.

The ASC meeting schedule for the Winter quarter is: February 8, February 23, and March 8.

The ASC Office is located on the second floor of Kreyssler Hall, above the Catalyst. The ASC office hours are: Monday/Wednesday: 8 - 12, 1 - 3. Tuesday/Thursday: 9 - 12, 1 - 5.

Sports Council Makes Decisions Regarding Women in Sports

On January 8, the ASC Sports Council, chaired by Carleton Lincoln, met to discuss the issue of women in sports. The all-volunteer council is composed of various Fuller Seminary students with interest, skill, and experience in sports-related issues (none of whom, incidentally, are women). After extensive discussion, the council determined that rule changes in Fuller's Intramural Basketball were required to allow equity for women in competition and participation. In previous years, women have resisted involvement in basketball because they felt that the physical nature of the game made it difficult to compete fairly.

The new rules will enable women to compete more fairly with the men. For example, if a man is guarding a woman, he must have one foot on the floor at all times. For a full account of the new rules, which have been put into place this season, contact the Sports Office at 584-5454.

Missions Concerns Committee

As Christians, our family spans the globe. Why don’t you take a summer off and visit some relatives? You can minister to people in Europe on bicycle, drill water wells in Africa, or teach English in Asia. The Missions Concerns Committee is devoted to sending people around the world so that they can be challenged to grow as they help others grow.

We are a committee that is devoted to prayer. Please join us as we meet weekly to pray for our brothers and sisters around the world. We will focus on a different country each week in our prayer time from 5 - 5:30 p.m. on Wednesdays, in the Catalyst lounge. Representatives from that country will be present each week. On January 30, our prayer focus will be South East Asia. We will also be discussing short-term ministry opportunities in that country.

Human Resources Answers Questions About Benefits for Employees

Many employees have been asking questions about Fuller’s benefits program. For your convenience, therefore, we have set up two self service “forms areas” located in OFA and Human Resources. Forms which will be found there include information and claim forms for: Whole Health, Health Net, enrollment changes, dental info, credit union, and Price Club.

Directories are now available for Health Net’s “Wellness Program” which offer a full range of classes and seminars covering current health topics and issues. They provide a variety of health promotional and patient education programs to help you lead a healthier life. You can pick up the Directory at the “forms areas.”

Certain questions and requests are routinely asked and sometimes it’s hard to know just who to call for what. So, here’s a helpful guide to help you expedite your requests: Please contact: Human Resources for Benefits Enrollment; OFA for Benefits Processing; and Payroll for Mortgage Questionnaires and Verification of Employment.

Also, Fuller employees enjoy a great discount on Disneyland tickets! Disneyland is offering a special for $20 per person with Southern California residency. Plus: get an additional $2 off with your Magic Kingdom Club membership card. That’s $18 per person for Fuller employees.

I understand how difficult it is to find time to write an editorial for the SEMI when you’ve got so many other important papers to write and all. And I do appreciate all of your good intentions. “Hey, Vicki, I’ve been thinking about writing an editorial for the SEMI lately.” I really DO understand (I mean I’m in Seminary too, you know) and so I have cleverly come up with an aid for editorial writing which should solve all of our problems. This week only, we introduce Fuller’s first do it yourself editorial!
