Fuller Theological Seminary instituted the Payton Lectures in 1948, providing for a series of five divinity lectures annually by a competent scholar outside the regular faculty, in one of the following areas: the uniqueness or confirmation of the historic Christian faith, the confutation of non-Christian or sub-Christian views, or the formulation of Biblical doctrines.

The Lectures are named for Dr. and Mrs. John E. Payton, the parents of Mrs. Charles E. Fuller, wife of the founder of the Seminary.
