Attention LINA Subscribers:

If you are planning to use your LINA coverage to pay for expenses related to having a baby, you should be especially aware that LINA treats delivery as a surgical procedure and will only pay up to $130 times the unit value given in the 1974 California Relative Studies book. This amount is usually substantially lower than the full expense of delivery. Also, note that this limitation is contrary to previous published information about the plan. If you have any questions about the LINA policy coverage or about possible alternatives for next quarter, please contact Troy in OSS at 584-5438.

Report From ASC on SAVOR

On February 20, the ASC had a “Fast for SAVOR” campaign. This was to raise student and faculty awareness concerning the SAVOR program and the financial burden students face. The ASC would like to thank all the students, staff, and faculty who stopped by the SAVOR table to contribute and ask questions. SAVOR serves 250 families here at Fuller, which can equate to 500-750 persons. Contributions totaled $130 which will buy $1950 worth of groceries for these persons. If you are still interested in donating money, make a check to the ASC noting “SAVOR” and drop in FTS Box ASC.
