FAITH AT WORK. In the trustee-student-faculty discussions last week, an almost universal desire for deepened relationships was expressed. This is the particular ministry of Faith at Work: how to deepen personal relationships through a commitment to Christ. The Faith at Work conference this week with Bruce Larson and Karl Olsson offers Fuller students and faculty the unique opportunity to BREAKTHROUGH FROM THE CONCEPTUAL TO THE RELATIONAL. Continuity in our attendance is extremely important if we are to expect and actually see God at work in our community.
