Philothean Fellowship
An organization of students' wives and women students, meeting once a month on Mondays through the school year for inspiration and fellowship, designed as an aid for future Christian service. This Fellowship has class prayer meetings two Monday evenings a month. It also provides an SOS service for Fuller students needing furniture and/or clothing.

Sports
The Pasadena Y.M.C.A. (located two blocks west of the Seminary) is available for a varied sports program. The Student Activities fee includes membership at the YMCA for the entire year. The facilities of the YMCA are available for women students on Friday evenings and whenever the "Y" is open for co-ed activities. The YWCA may be used by the women students on a similar program. There is also an intramural program within the seminary, e.g., competition in flag football, basketball, ping pong and handball.
IT’S GOOD TO KNOW

1. Chapel is held each morning Tuesday through Friday. All students are expected to attend every chapel and assembly.
2. Grade point system: A—4, B—3, C—2, D—1, Failure—0
3. Part of the program of the Women’s Auxiliary is that of Prayer Parents. The name and address of your Prayer Parent will be left in your box in the early fall. Your Prayer Parent will contact you to find out your needs and problems and ways she can pray for you.
4. You will have a Faculty member assigned to you as counselor. Do not hesitate to contact him. All appointments with Faculty members are to be scheduled with the Faculty Secretary.
5. Mr. Scoon, the Librarian, will be glad to give any student assistance in learning to write a term paper well.
6. Limited funds are available for short term loans to students. You may pick up forms at the Business Office and see Mr. Curley.

FINANCIAL AID

The Seminary catalog contains the statement: “Fuller Theological Seminary is committed to the policy that no worthy student should be left in a position of financial need without the Seminary first having done everything possible, through its staff and resources, to alleviate this need.” The financial aid program has been developed in order to implement this policy. The Financial Aid Committee is especially concerned that no student be forced to engage in employment, secular or other, to the extent that his academic or family life would unduly suffer. The committee can only implement this concern, however, if the student makes his needs known by filling out a financial aid application form. This form may be obtained from the secretary to the Dean of Students.

As the result of the above considerations, financial aid at Fuller is based entirely on the student’s need. The Seminary has no “scholarships” in the sense in which this is normally understood. Consequently, the following principles guide the administration of the financial aid program:

1. The primary purposes of a financial aid program for theological students are to assist in their educational preparation for church occupations, and to make possible the enrollment of promising candidates by providing assistance to students who demonstrate financial need.
2. The total amount of financial assistance offered a student should not exceed the amount of his need.
3. Financial need is defined as the difference between the total cost of attending Fuller Theological Seminary and the amount of the resources available to the student.
5. The family of a student, whether the student is married or unmarried, is expected to make every reasonable effort to assist the student with his educational expenses.
6. The student himself is expected to provide a major share of his expenses through savings and other assets, through summer employment, and through field work and/or comparable employment during the academic year.

7. In case of a married student with no children, the spouse is expected to be gainfully employed. The spouse’s earnings are to be considered as a part of the total family income. Because of the importance of this source of income, student couples who expect to receive financial aid should normally postpone having children until the completion of schooling.

8. The student’s home church should assist with the costs of his preparation for a church occupation in cases where the student demonstrates financial need and if such assistance is consistent with denominational policy.

9. Since the principles of Christian stewardship apply to all Christians, candidates should make provision in their financial estimates for gifts to church and charities out of their own earnings.

10. Financial assistance is granted on the basis of need on a year-to-year basis, with re-application and review each year. However, any student at any time may make inquiry and application to the Financial Aid Officer regarding any of the Seminary aid programs, i.e., Grants-in-aid, State Guaranteed Loans, NDEA loans, or Seminary loans.

**MEDICAL AND DENTAL COVERAGE**

The Seminary has made arrangements with physicians in the Pasadena area to assure students, their wives and families good professional and specialized medical care. The cooperating physicians and dentists usually grant discounts to the Seminary family as a Christian service. This contribution on the part of these professional men is appreciated and should not be abused. Any student needing medical or dental attention of any kind for himself or his family should consult the Medical and Dental Coverage Schedule at the Information Desk in the Seminary Lobby. The Seminary can neither guarantee satisfaction nor can it always vouch for its price list being current.

**ACADEMIC REGULATIONS**

Students are to familiarize themselves with the information and regulations contained in the current Seminary catalog. Students will also be responsible for regulations set forth below. Special regulations covering Psychology and Mission students are found in the catalog.

**Courses**

1. A curriculum sheet is available from the Registrar. It is the responsibility of the student himself to see that he properly completes the courses listed for graduation.

2. Any student who thinks that he may have covered the material in a required course by work done on the collegiate level may be granted permission to waive this requirement from the professor of the course. This does not mean that a
student can graduate with less than 144 quarter hours of Seminary work. When a required course is waived, an equivalent number of elective units must be taken in the same department, unless the head of the department is willing to have the student make up these hours in another department.

3. No student is permitted to register for two classes which meet simultaneously.

4. Any student taking less than 11 units will be charged for subjects he audits.

5. When a student repeats a course he has previously failed, the new grade will be recorded without penalties, but the units from both his original attempt of the course and his repeat of the course will be computed in figuring his grade point average.

6. A student on academic probation may be asked to withdraw from the institution after three quarters of deficiency.

7. The accumulation of a grade point deficiency of fifteen points or more will make mandatory the withdrawal of a probationary student from classes at the Seminary.

8. Courses are added or dropped through the Registrar's Office. No course has been added or dropped until officially placed on your permanent record in the Registrar's Office. Students are permitted to add subjects during the first calendar week of classes only. (A calendar week ends in the Registrar's Office at 4:00 p.m. Friday.) A service charge of $2.00 is made for each transaction.

9. No student will be permitted to register after 4:00 p.m. the fifth day of classes for any quarter. Late Registration Fee is assessed at the rate of $5.00 the first day, $6.00 the second, $7.00 the third, $8.00 the fourth and $9.00 the fifth. For purposes of registration, the calendar week ends at 4:00 p.m. the fifth day of classes for the quarter.

10. A course may be dropped without grade penalty through the fifth week of the quarter. Any course dropped thereafter will be entered as a failure on the student's permanent record. (See paragraph 18.)

11. Students planning to teach rather than to pursue some form of ordained ministry may substitute Theology and Biblical Studies courses for the Polity and option courses in the Ministry column during the Senior year. Permission to make this modification in curriculum must be obtained from the Dean of Faculty before the close of the third quarter of the Middler year. All other students are required to take nine Ministry courses, including Polity, for graduation. The student may specialize in his particular field of interest for the two option courses—Missions, Christian Education, Homiletics, etc.

12. Seniors will not be permitted to take residence work in other institutions so as to accumulate credit toward their B.D. degree, unless they have maintained an average of B in their Seminary work. In no case may students carrying a full academic load take more than four hours per term in outside institutions.

13. No student having less than a C average is permitted to take Senior required courses. If special permission is granted for him to do so, this in no way signifies admission to the Senior Class nor will credit for those courses necessarily be counted toward graduation.
Auditing Classes
14. The tuition charge for audits is the same as that for credit classes. Auditors register at the Registrar's Office.
15. Wives of full-time Seminary students are permitted to audit classes without charge, provided they register as auditors. No auditors are permitted in the evening classes except the wives of full-time Seminary students.

Fees
17. Students delinquent in their payments to the Business Office are automatically suspended from classes until they have concluded a satisfactory arrangement with the Business Manager.

Refund Policy
18. For courses dropped prior to the end of the second week of classes, the refund is 75 per cent; for those dropped the third week of classes, the refund is 50 per cent; for those dropped the fourth week of classes the refund is 25 per cent. There is no refund for classes dropped after the end of the fourth week.
19. There is no refund of audit charges.

Absences
20. Students are expected to report in advance to the office of Dean of Faculty any contemplated absence of an unusual nature.
21. Students must take final examinations at the scheduled hour. In the case of serious illness, emergency, or conflict in exam schedule, the professor should be consulted in advance. In instances other than conflict in exam schedule, there is a $2.00 service charge for examinations taken at a time other than that scheduled. To make such a change, the student must secure permission from the Dean of the Faculty. Proper forms are obtained in the Dean's office. (Participation in outside activities of a Christian character, however worthy, shall not be deemed a sufficient reason for a student to take final examinations at times other than those regularly scheduled.)
22. Examinations are conducted on the honor system. Each student must accept the responsibility of reporting any violation he observes to the appropriate Faculty member.

Failures
23. A student who has received an outright failure in a course is not permitted to take a make-up examination in order to remove the failure. (See paragraph 5.)

Incompletes
24. Each Faculty member decides whether work not finished at the end of a quarter warrants an 'Incomplete' grade for the course or simply a reduction of grade. "Incomplete" work must be made up no later than one week after the conclusion of the quarter as fixed by the catalog calendar. The "Incomplete" is then changed to a grade one level below the grade that would normally have been given. Failure to complete the work within this time limit automatically means an "F" for the course.
Admission To Senior Class

25. Every Middler is required to submit to the Registrar’s Office a request form for admission to the Senior Class at the end of the second quarter (during registration week) of the year immediately preceding his anticipated graduation. Applications submitted at a later date will incur a $5.00 late fee.

26. A student will not be considered for admission to the Senior Class until he has completed at least 90 hours of course work toward the B.D. degree or 42 hours toward the M.R.E. degree with a minimum of a 2.0 over-all average.

Withdrawals

27. Students who expect to discontinue their work at the Seminary during the school year must complete the withdrawal forms in the Registrar’s Office and see the Dean of Faculty personally.

Baccalaureate and Commencement

28. Seniors who do not meet the requirements for graduation fully may participate in normal Senior activities except the one at Commencement which involves the conferring of degrees. In order to march in the academic procession, etc., the student must notify the Registrar of his intention. Students who have practically completed their work may be photographed with the graduating class if they wish.

Graduate Students

29. Applicants for the Th.M. program must ordinarily have a minimum of a 3.0 (B) average for their total B.D. program. Exceptions will be made only rarely and only by special action of the Graduate Committee. Every application, regardless of grade average, must be considered and approved by the Graduate Committee. Students with a B.D. from schools other than Fuller, and Fuller graduates who have been out of school during the year preceding their application, must make application for admission.

Those desiring to apply for the D.Th.P. program may secure mimeographed instructions from the Director of that program or his secretary. Instructions for application to the School of Psychology or the School of World Mission may be secured from secretaries in those offices.

30. Th.M. candidates are required to submit five copies—on regular forms procured from the Registrar—of a list of proposed courses to be taken in their major fields in satisfaction of a minimal requirement for the degree. This list must be approved and signed by the professors supervising such fields, then returned to the Registrar.

31. Th.M. and B.D. students in the same classes are to be graded by the same standard, but Th.M. students in such classes may be expected to do work beyond that required of the B.D. students.

Limitations In Outside And Practical Work

32. A maximum of 68 hours combined study and work schedule is allowed per week. (Fifteen hours of classes means 30 hours of homework per week. Therefore you may not be employed in other than Seminary studies more than 23 hours
per week.) Any exception to this rule must be by permission of the Dean of the Faculty.

**Housing And Employment**

33. For information concerning housing and employment, see the bulletin board in the bookstore hallway or inquire at the Office of Housing and Employment in Dorm 98.

**Room and Board**

34. Unmarried students are required to eat in the Seminary dining room and to live in Seminary dormitories, except by special permission of the Dean of Students and the Business Manager.
35. Students must carry a minimum of 9 hours of academic work to be permitted to occupy a Seminary student apartment at Bellaire Court.
36. Married students assigned to the Bellaire Court apartments are requested not to move furniture or rugs out of the apartments. Additional personally owned furniture may be moved in to supplement existing furniture but not to replace it.
37. Students planning marriage during the academic year are required to discuss this in advance with the Dean of Students.

**Religious Services**

38. Students are not to conduct gospel teams or deputation teams except under the supervision of the Professor of Evangelism.

**Solicitation Of Funds**

double bunking of beds or the operation of a barber shop in dormitory rooms.

prior to leaving for the summer.

13. The Seminary assumes no liability for loss by any means of any items at any
time. You are encouraged to challenge, in a respectful manner, any strangers
you may meet in the dormitories concerning their right to be there, in the light
of previous thefts in the dormitories.

may be accommodated at $1.50 per night. Hotel type rooms with linen and maid

additional plugs introduces a definite fire hazard from potential overloading of
electrical circuits.
16. No padlocks are to be used on lockers except those furnished by the Busi­
