ATTENTION, RETURNING STUDENTS (faculty members may also note): Two new changes in the Library. (1) The dictionary catalog has been divided. It is now an Author, Title, & Serial list. The Subject cards have been moved into the new case (standing around the corner from the old catalog). We now have a Subject index and an Author, Title, & Serial index to our library. (2) Current Periodicals are placed in the Reading Room as they arrive; they remain there two weeks. Watch signs for most recent. C.B.A.

CURRENT PERIODICALS: Beginning Sept. 1961, the periodicals received the first week will be displayed in the first sections of the periodical shelves in the Reading Room. The next week the sign above will be changed to "Last Week's Periodicals" and the "This Week's Periodicals" sign will be placed over the last sections of the shelves and incoming periodicals will be placed under it. The third week the oldest periodicals will be removed to the Periodical room in the basement and we begin again on the first sections. WATCH THE SIGNS!

FOR STUDENTS WITH MUSICAL INTERESTS, the Dean of Students has granted permission to use the pianos in the Chapel and in the Refectory with the following schedule:
CHAPEL—7-8 a.m. Monday through Saturday and 5-6 p.m. Monday through Friday.
REFECTORY—6:30-9:30, Monday, Wednesday, Friday, Saturday (also Saturday afternoon). Students using these facilities must turn off all lights and see that the Refectory doors are properly locked, when they are finished. Persistent negligence will lead to the forfeit of these privileges. A.C.Y.

EMPLOYMENT: On Oct. 5 there will be an opening for someone to begin work cleaning cement trucks for a company in Hollywood. This job averages 27 hours per week, with pay starting at $2.10 per hour and being raised to $2.50. For details see Joe Torre soon, or phone him at SY 2-0023. C.H.

THOSE INTERESTED IN SECURING EMPLOYMENT may inquire in the Student Council room (rear of 190 N. Oakland) between 3:00 and 4:00 any afternoon, Monday-Friday, or phone SY 5-5225 at that time. If this is inconvenient, an earlier appointment may be arranged, or a note may be left in Chuck Holman's box. It will help to review the employment bulletin board regularly, across from the bookstore. You can help other students or wives find work by reporting any leads you may have regarding employment. C.H.
