World Impact, Inc. has about five hundred black adults in south central Los Angeles who have recently accepted Christ due to a thrust by Campus Crusade for Christ in this area. Because of a lack of qualified personnel, follow-up has been lax. These new converts are anxious to learn God's Word. Consequently, Jehovah's Witnesses are capitalizing on the opportunity. We need men and women to volunteer
two or three hours one evening a week to teach adults. World Impact will provide training and materials. If interested, meet Keith Phillips after chapel on Wednesday, November 10th.
