ATTENTION LETTER-WRITERS: "It was very pleasant to me to get a letter from you the other day. Perhaps I should have found it pleasant er if I had been able to decipher it. I don't think I mastered anything beyond the date (which I knew) and the signature (which I guessed at). There's a singular and perpetual charm in a letter of yours: it never grows old, it never loses its novelty... Other letters are read and thrown away and forgotten, but yours are kept forever--unread. One of them will last a reasonable man a lifetime." — T. B. Aldrich (1836-1907) to a friend.

N.B. When you write your "library letters" please be sure that the recipient will be able to decipher more than the date and the signature!  M.C.

CMA MEETING TODAY....There will be a meeting of the Fellowship of the Christian and Missionary Alliance/ Missionary Church Association following Chapel Today in Room 303. Al Prentiss, key C. & M. A. layman will speak on "The New Local Church." All are invited.
