Robert Murray McCheyne.

PRACTICAL WORK - See Mr. Cox if interested in any of these opportunities:
1. Have a request for someone to help direct a boy's club (junior age) on Wednesday afternoons from 3 to 5 p.m. Church in Eagle Rock. This group interested in woodcraft.

2. Chinese Church in L. A. needs someone to direct its music, choir, and congregational singing. No remuneration but will take care of transportation. It is not necessary for someone trained in music but someone who has had experience in leading a choir.

3. A fine opportunity is offered to a limited number of students for practical work assignment during the spring quarter in conjunction with the Rose Bowl Easter Sunrise Service Committee. This is an opportunity to learn first-hand from the inside the organizational side of a volunteer city-wide effort which carries the Gospel to the nation on a special occasion.
