STUDENT PARKING. Again it is requested that consideration be shown fellow students by the observance of parking area regulations: (1) No parking in the center strip of the Walnut-Madison lot. (2) Use only marked stalls in parking areas behind Dorns 120, 180, 190 and 200. If these rules are observed, there should be no difficulty in cars being "hemmed in." (3) Leave the space in front of the S.O.S. garage doors open. "Reminders" will be placed on windshields of cars parked in violation of these rules. Let's make an effort to respect the parking facilities the school does have available. The moral predicament involved in either blocking someone else or being late to class because you took the trouble to park a short distance away isn't too great to solve. RI

EMPLOYMENT. Those wishing to secure employment are reminded not only to review the bulletin board but to contact the Employment Director, since all opportunities are not posted on the board. Students desiring summer employment should submit the following information to Box 214: Name, dates available, experience (briefly) and comments. Returning students will be given priority. CH

CONGREGATIONAL STUDENTS please let Carl Gold (Box 200) know what afternoon would be best for a meeting.

The members of the Fuller Ambassador Gospel Team have felt a lack of contact with the faculty and student body of the Seminary. Therefore, we take this opportunity to request the prayerful support of all the Seminary family. This Sunday evening the team will be at Bethel Community Church in Santa Fe Springs for a youth service at 6:00 p.m. and evening worship at 7:00. Please pray with us for these services. We need your prayer and support, for we are your Gospel Team. Thank you. DAH

There is a supply of this brochure on the display stand. AM
