Dr. Peter Beyerhaus, the missionary theologian who brings the Church Growth Lectures of 1972 to Fuller is Professor of Missions at Tubingen University, Germany. One of the most controversial figures in missions today, he is standing like a rock against the concept that mission is exhausted in humanization. He is architect of the famed Frankfurt Declaration, originally signed by twelve noted German theologians and later by tens of thousands of evangelical Christians in all parts of the world. He has authored The Responsible Church, Humanization--The One Hope of the World? and articles in journals. Following his visit here, Dr. Beyerhaus will be lecturing at nine seminaries in the States, including Luther, Trinity, Concordia, Gordon Conwell and the Episcopal Seminary in Virginia.

Many will want to attend all four lectures on The Theological Crisis Facing Missions and Churches Today. The times are as follows: Tuesday and Wednesday, 9:50 a.m., Chapel; Wednesday, 2:00 p.m., School of Missions Convocation in the Chapel--all welcome; Thursday, 9:50 a.m., SWM Convocation in Room 302--all welcome.

Interesting news bit: 35 students at UC Riverside have signed up to study New Testament Greek in order to improve their Bible study!!... Day of Prayer, scheduled for April 6, has been moved to May 2, and it now appears that we will have Keith Miller with us that morning... Congratulations to the new Student Council officers, Dave Toycen, President, and Stan Adamson, Veep... Bill McIvor won out in the single candidate race for Treasurer. The rumor of a write-in candidacy for Gary Tuttle did not materialize... Word is out on the new carpet on the second floor--the manufacturer failed to put in the anti-static wire specified. The results have been shocking! Resolution of the problem not yet determined... Distinguished visitors next Monday and Tuesday, Fuller Seminary Board of Trustees.
