BLOOD PROGRAM. Tuesday, April 23. Sufficient time has now elapsed between donations--twelve weeks--for those who gave blood on January 29. Giving a pint of blood causes no more strain to a person in good health than an afternoon of exercise. There is about one chance in five that when the Blood Center telephone rings, it is a request for blood for a child. Each year the local American Red Cross must provide a minimum of 30,000 pints for children, most of whom suffer from incurable blood defects. Time: Tuesday, April 23, 2:30-7:00 p.m. Place: Elks Club, 400 W. Colorado Blvd., Pasadena. RCT
