Soakin' in the Son

This summer a lot of bodies are going to be headin' for the beaches to be soaking up some sun and probably ... still searching, and just couldn't figure what was wrong. God just has everything. Continued on page 4

Soakin' sun into the body. It's also a time for this. Summer is more than just a time for long hours of lying there in the heat sweating OK, so what we're trying to lay down is simply and brown skin.

YourCopertone tan will fade away, but Jesus will make a dude hip to where it's at. Dig?

Jesus came to love individuals. He died for individuals like you and me from the screwed up world, that's why the beach is such a hot spot. You can count on one thing! The threads start coming off. So let's be honest. When summer tolls around we would you call it? Nude skin is a turn on and that's why the beach is such a hot spot. You can count on one thing! The threads start coming off. So let's be honest. When summer tolls around we would you call it? Nude skin is a turn on and that's why this.
What is the reaction of your friends to this change in your life?

They think I'm crazy, but I was in a dead church. I just got my board and rode out of there, and never came back.

Don't give me that truth and turn me on; give people the truth, they know it's the truth.

Do you think more surfers are turning to Christ as their Savior & Lord?

Yes, I certainly hope so. So many surfers cross over and find that surfing isn't all of the things they have done physically in this world. So many surfers have read the Bible, but when they open it, they try to find the truth in nature. I used to think God took His creations. A lot of surfers have been saved, turned to the light and found freedom through Holy Spirit.

"...I felt empty and lost on those days when the surf was bad." by margo godfrey

Before I became "a new creature in Christ" the frame work and life-style, through which I expressed myself and sought fulfillment of my needs was in the sport of surfing. I began surfing in La Jolla under Mr. Gordon, a 19 year old star, in 1965. I won every main contest for female surfers. In November, 1968, I won the "World Surfing Championships" in Waikiki Hawaii and in November, 1969, I won the "Surfing Championship" in France. I was blessed with financial benefits and an abundance of wonderful friends, not to mention a grand feeling of accomplishment and self satisfaction.

After the world contest, I continued to compete and travel, but soon realized my heart wasn't satisfied in the competition aspect of surfing. I slowly drifted away from the commercial part of surfing and sought fulfillment in yoga, meditation and Health Foods. I sought ways of life. I sought a goal and definite answer. Now I understand what my mode of life should be! Being a "born-again" Christian, baptized in water and filled with the Holy Ghost, I desire a intimate walk with Christ. My life should be one of deep consecration before God, not seeking my ways, but yielding to God's Spirit. My life's purpose and function in life is to function in the Body of Christ moving in the Flow of the Holy and fulfilling the ministry God has blessed me with.

Certainly, I still surf, but it is no longer my idol, or way of life. Surfing is more like a recreation and way of ministering to my soul. I realize there is a reason why this body this body that needs to be released and disciplined in order for Christ to fully come forth thru me. Some people sing to God, paint pictures, dance, or

"...I surf for God's glory. Often times when I'm surfing, people compliment me, but instead of absorbing the praise, I give all the praise and glory to God...This always gives me a chance to witness to people. Surfing doesn't hinder my walk with God, because it doesn't come before the lord. Certain times God allows me to surf and other times He says "no". I'm learning the balance and I live for Him!!! Surfing comes not as a "trip" or way of life, but a means to creatively express my soul, supplied me with financial benefits and an abundance of wonderful friends, not to mention a grand feeling of accomplishment and self satisfaction.

Yes, in this day God is raising up people to fully serve Him. There is no time to play around, idolize surfing or walk in man's ways. We all must get before God, try our own way, and listen to God's movement on the earth--He has called me to abide in this stream. I don't want to be behind God; or before Him, but be a co-worker with Christ--Amen?

May God abide with you all and strengthen you in His ways!!!

Dear friend,

We are glad to hear from you. The Jesus Movement has hit Carson City, and many young people are coming to Christ. We will be sending more about this later. Please keep up the great work.

Jesus said:
Come to the water,
I know you are thirsty,
you won't be denied.
I felt every teardrop,
when in darkness you cried,
I strove to remind you,
that for those tears
I died.
