One day last November, a Ghanaian Christian asked me how my family celebrated Christmas. "Do you give each other presents?" When I answered yes, he asked me what kind of a present I was going to give Jesus that year. I was taken aback. I'd never given Him a present on Christmas, yet it was His birthday! If you would like to give Him a present this year, why not help Rich Hong and Paul and Karen Burroughs, our missionary interns. They are sharing God's Present with the people in Malaysia and Liberia. Gifts given to the Fuller Fund and placed in the Tithe of a Tithe slot below the student mail boxes will help to pay their transportation expenses. RT
