The Library Staff wishes to thank the entire student body for their help in the Big Move. We also appreciate your patience in the present state of "transfusion." In order to clear up some misunderstandings, let me re-state the following:

1. Reserve books are kept in the stack area in their proper class sequence. They have blue cards in them and may be checked out during the day for two hours. After 9 p.m. they may be checked out for overnight. Please check them out at main desk.
2. Please enter and leave the building through the library lobby, using the front door or door from the loggia (covered passage way). The side doors are for fire exits only.
3. Please enter and leave the stack area via the stairs directly in front of the charging desk. When elevator is in working order it may be used. CBA
