"Lost this day loitering,
'Twill be the same story tomorrow.
And the next, more delatory.
Then, indecision brings its own delays,
And days are lost lamenting over days.
Are you in earnest?
Then seize this very minute.
What you can do, or think you can, begin it.
Courage has genius, power, and magic in it.
Only engage, and then the mind grows heated.
Begin it—and the task will be completed."
