TUITION RATES. In view of rising costs of operation, the Board of Trustees of the Seminary has found it necessary to raise tuition rates, effective September, 1963. Rates will be $8.50 per quarter hour for undergraduate courses and $11.30 for courses taken for graduate credit. Students presently enrolled who envision difficulty in meeting this increased cost may petition the Scholarship Committee for assistance. DPF

In the past month and a half on two different occasions, three of the secretaries in the various offices have had money and other valuables taken from their purses, or from their desks. It is very evident that people not associated with the school
are walking through the corridors looking for opportunities to steal. I recommend that students, faculty and staff be alert to "strangers" in our midst and notify me, Frank Ramsier, or Betty at the switchboard, in order that remedial measures can be taken. Meanwhile, I suggest that valuables or purses not be left unattended. Dormitories could possibly be the next area for thieves to explore. Please understand that the Seminary assumes no liability for theft or loss of any kind. Personal belongings of value should be insured. R. D. Curley

BUSINESS OFFICE HOURS in the future will be from 9:00 to 5:00. RDC
