"How dare we pray in the battle if we have never cried to the Lord while buckling on the harness?"

...Spurgeon.

SENIORS, ATTENTION: Please see the notice on the bulletin board relative to the Homiletics Contest conducted by the Pulpit Magazine of Chicago. If interested, see Dr. Roddy immediately.

LOWER PRICE is now in effect for Family Night tickets. The adult tickets will sell for 75¢ rather than $1.00, and children's 50¢ rather than 65¢.

A DINING ROOM SET with five chairs and buffet (Monterey style) is available in Tulare. If interested, see Mr. Curley for details.

TO THE SCHOLARSHIP STUDENTS: On behalf of the Executive Board of the Fuller Theological Seminary Auxiliary, it gives us great pleasure to invite you and your wife to be our guests at the annual get-together for scholarship students. We will meet this year at the home of Mr. and Mrs. Cyrus Nelson, Monday, November 8, at 1315 Padres Trail, LaCanada. (8 p.m.) We are anticipating this opportunity of getting to know each other better and for that reason are asking each student to speak for about two minutes on how God led him to this Seminary or what he is now doing in his life with reference to his future life. We trust you will be able to come and would appreciate your signing the paper at the desk. Cars will leave Seminary at 7:30 p.m.

WANT TO REGISTER ON FRIDAY, NOV. 26? If there is enough demand, it will be possible for students to register the day after Thanksgiving, but by appointment only. If you will be available, and would like to register, list your name on the paper at the desk.

CRUTCHES. The Seminary has available a pair of crutches for use by the students in case of emergency. If in need contact the switchboard operator in the information booth.

PRACTICAL WORK: In need of a teacher for Young Business Women's Class at Immanuel Baptist Church. Prefer someone who has had experience with adult groups. (D.F.Cox)

MORE PRACTICAL WORK: I have a request for a student who may be interested in working about 12 hours a week counselling with delinquent boys, working along with Y.M.C.A., high schools and police department. Prefer someone who has had experience in this type of work and understands boy's problems. Hours can be worked out at student's convenience. Work remunerative and is sponsored by the Kiwanis Service Club in Inglewood. (D.F.Cox)

SENIORS: Remember the Senior prayer groups Thursday. Definite requests call for definite prayer.

DIRECTORY: Your official Fuller Seminary Directory, containing names, addresses, and phone numbers of all students, faculty and staff, are now on sale at the reception desk during office hours, 8 a.m. to 5 p.m. Price: a mere 40¢. Get yours while they last.
PARKING

The following are the pertinent parking regulations in the city of Pasadena:

1. A car may be parked for only one two-hour period in any twenty-four hour period in the two-hour parking zones. (to be more specific, all the two-hour parking areas are considered as one zone; that means that it is illegal, after having parked for a full two-hour period in any one of these two-hour areas, to park in any two-hour area until the following day or twenty-four hour period.)

2. Parking for an indefinite period is permitted in undesignated, non-colored areas except from two to six o'clock in the morning (2 a.m. to 6 a.m.), when it is illegal to have a car parked on any public thoroughfare in the city of Pasadena.

3. All other areas are governed by the signs clearly explaining the regulations applying to those areas.

4. All parking ordinances are in effect except on Sunday. (Notice that Pasadena, unlike most other cities, does not include holidays in this matter. In Pasadena all parking ordinances are in effect on holidays.)

Violations and their punishment:

First offense: $2.00 fine.
Second offense: 5.00 fine; if within one year of the first.
Third offense: 10.00 fine; if within one year of the first and second.
Fourth offense: mandatory court appearance; if within one year of first, second, and third offenses.

Suggestions:

1. Undesignated, non-colored parking area is available north of Walnut.
2. Soon a new sixty-car parking lot will be available to Seminary students.

There have been complaints from the traffic division. The situation has been bad enough in the past so that policemen have had to resort to "devious" means to ascertain who has been violating the parking ordinances. Let us be especially careful in the future so that we will not bring dishonor to the name of Christ or to the Seminary because of negligence in this matter.
