Quality staples and staplers are priced right in the Bookstore. A pencil sharpener is on the Library Circulation Desk. Coin typewriters are available in the Library's Christian Ed Lab. All other Library business machines are restricted to Seminary faculty and staff so work on your behalf can proceed. Thanks." RS

Due to a tremendous increase on equipment demand, complications with chapel relocation, and the fact that these two students must play student occasionally, a 24 hour written notice must be given the A-V department of any intention to relocate or use the equipment. Chapel and special class needs are no exceptions. Please plan at least a day in advance if you wish to utilize the facilities. GG
