We know that the Jehovah's Witnesses are planning to hold 25 gigantic conventions throughout the world this summer between July 1 and September 8, and that Pasadena has been chosen for the convention in the Southern California area, September 1-8, when they expect to have 100,000 people going from house to house promoting their New World Translation Bible Study material.

LOST ARTICLES must be claimed this week at the reception desk. There will be an auction at the end of the week to dispose of all remaining articles.
