FOOTBALL! Last week's Semi noted that Bel-Air squeaked by George's Guys. However,
       since this reporting is not done ex cathedra, the statement was in error. What
       really happened was, George's Gents gyred by Brewer's Beasts. This week's schedule:
       200 vs. 180; 98 vs. 190; 150 vs. bye. Last week's play resulted in the upset of the
       season. Merrill's Men mustered more might than in the past and Roy's Rebels receded
       into a tie. Dwight's Demons downed by Al's Amazons were still able to score. At
       press time Kaptain Kropp and Governor Gorman had not reported on this week's crippling
       competition.  The Commissioner.
