(The following note was written to a friend who was taking graduate work in Germany.) "I know you will apply yourself hard to German, but do not forget the culture of the inner man - I mean of the heart. Remember you are God’s sword, His instrument, I trust a chosen instrument unto Him to bear His name. In great measure, according to the purity and perfection of the instrument will be the success. It is not great talents God blesses so much as likeness to Christ. A holy minister is an awful weapon in the hand of God."

Robert Murray McCheyne
