The Rev. Ray Anderson, a recent Fuller grad, now pastoring a church in Covina, will be speaking Friday morning in chapel on "Pastor and People Working Together to Reach the Community for Christ." Don't fail to hear him!

Dr. Strachan continues to gain strength following his critical illness. He sends the following message through Dr. Booth: "Please convey my love to the students, faculty and staff at the Seminary, and tell them how much I appreciate their friendship and prayers." While personal visits are not encouraged at the present time, cards or other written communications are always welcome.

In Dr. Strachan's absence, Dr. William Bouslough of Westmont College will be conducting the Thursday evening class, Theology of the Laity. Dr. Bouslough has had experience in both the pastorate and Christian education, and has in the last two or three years devoted a great deal of time to the whole question of the role of the layman in the Christian Church. He is a first-rate teacher. DAH

Mr. Donald Baldwin, representing "A Christian Ministry in the National Parks" conducted annually under the auspices of the National Council of Churches, will be on campus Wednesday afternoon and Thursday morning, January 6 and 7, to talk with students who may be interested in such a ministry this coming summer. Several Fullerites have participated in the program in previous years and have found it to be a remunerative and rewarding way to invest the summer months. A sign-up sheet for appointments with Mr. Baldwin will be at the reception desk. See Dr. Booth for details.

BOYS' SUMMER CAMP WORK:  The 45-minute movie on Camp Strongheart for Boys in northern Wisconsin will be shown at 6:00 p.m. Tuesday, January 12, in Room 304. If you would be interested in working as a counselor next summer, or finding out more about this work, come out. Wm. Lantz

Student Roy Brewer is now a member of the Public Relations staff. He will serve as an assistant to Mr. Weber with particular concern for alumni activities and placement. He will work out of the PR office on the 2nd floor of Payton Hall. Any co-operation given Mr. Brewer will be appreciated. MC

GRADUATING SENIORS: Social Security legislation affecting clergymen was recently signed into law by the President, according to Joe W. Tarbox, District Manager of the Pasadena Social Security Office. Mr. Tarbox stated that the change will extend through April 15, 1965, the time during which a clergyman can elect Social Security coverage. He advises that certificates electing coverage filed before April 16, 1965, can be effective beginning with 1962. Forms for electing this coverage and additional information about it may be obtained at the Social Security Office, 740 E. Washington Blvd., Pasadena. RDC
