TO ALL THOSE WHO RECORD CLASSES: In Rooms 303 and 304 we have installed new carts (for the overhead projectors). These carts have an AC strip on the side of the bottom shelf for you to plug in your recorder, and you can set it on the bottom shelf. This should get you close enough to the podium to place your microphone on it. One recorder is permanently installed in 303, and anyone who likes may use it to record classes in that room.
