**HEALTH INSURANCE**

All Fall quarter insurance must be purchased by Wed., Oct. 24. The effective date will be the date you sign up. For more information, please contact Ruth Fuglie (x.3261) or visit the Office of Student Concerns on the second floor of the Student Center building.

In an effort to improve service in claims processing, arrangements have been made to work directly with the home office of Mutual Security Life (in Indiana). Since this will involve some adjustments during a transition time, claims filed at the beginning of the quarter may be settled a little slower than usual. New claim forms and envelopes are available at the Office of Student Concerns. PLEASE USE THE NEW FORMS WHEN FILING CLAIMS to insure prompt response! New insurance cards will be issued soon. If you have questions about filing a claim, call Ruth at x. 3261.

**STUDENT CONCERNS/OPPORTUNITIES**

This year's church growth lectures will be different from all others in that a pastors' conference sponsored by the Charles E. Fuller Institute is built around them. We expect 250-300 pastors from all over the country to be here at that time. The featured speaker is Paul Yonggi Cho, pastor of the world's largest church in Seoul, Korea. You will not want to miss him. Among other things, he is the first church growth lecturer from the Third World.

The Church Growth lectures will be held in the Pasadena Presbyterian Church on Tuesday, October 30 and Wednesday, October 31 from 10 a.m. until 12 noon. An attempt has been made to invite all Fuller students, faculty and staff, by means of an invitation in all mailboxes. In order to get in to the lectures a special pass is needed, which can be requested in response to the invitation. If you did not receive an invitation, write to the Charles E. Fuller Institute at Box 75. Indicate your student number and request your ticket. Tickets are free to all of the Fuller community. Some students had not yet received a mailbox assignment at the time the invitations were distributed. Also, it is expected that a T.V. overflow room may be needed, please expect this inconvenience if many hundreds respond to the invi-

If you answer yes to either of those questions, then the Leisure Skills Workshop has some other answers for you.

**LEISURE SKILLS WORKSHOP**

Saturday, October 27, 1984  8:30 am - 3:00 pm  FTS Payton 101

Cost: $9 per person (some scholarship available)

Developing your leisure skills is the way to create time for "those" things without feeling guilty about it.

Along with tips on making free time, the Leisure Skills Workshop gives you a summary look at what things can make free time worth finding. With a bias toward the "great outdoors", practical tips include:

- how to discover great places to go and what to do once you're there,
- how to make camping a simple, unthreatening experience, and where to get what you need for your trip if you don't have it
- basic hints on taking good pictures of your outing.

Of course, no instruction is complete without a field trip, so the Leisure Skills afternoon session will take you to the Charlton-Chilao recreation area high in the San Gabriel Mountains. You'll need a lunch, a jacket, and an eye for some of the most beautiful countryside in Southern California. Pre-register so we can tell you more details ahead of time!

Workshop leaders, Greg and Nancy Webster, are FTS staff members who have traveled widely throughout the United States and know many of the ins and outs of leisure life in Southern California.
