"Study universal holiness of life. Your whole usefulness depends on this, for your sermons last but an hour or two; your life preaches all the week. If Satan can only make a covetous minister a lover of praise, of pleasure, of good eating, he has ruined your ministry. Give yourself to prayer, and get your texts, your thoughts, your words from God. Luther spent his best three hours in prayer." - Robert Murray McCheyne

There was not enough response to warrant a volleyball ladder so if some dorm would like to issue a challenge to another or off-campus group please leave a note in Box 230 and we will announce it for you. The "Y" is there for our use--let's use it!

A SINCERE THANK YOU to the Seminary Family for your kind interest and intercessory prayers in behalf of my wife during her prolonged illness and eventual surgery at the Huntington Hospital last Saturday. Also the plant from the Seminary Family was received and much appreciated. We covet your prayers in the days that lie ahead on the road to recovery. Most of all, the Lord has been very precious through all the trials and it has been worth it all. Thank you again.
Roms 8:28
Sincerely, Harold Nyquist and Family
