"Jesus never taught his disciples how to preach, only how to pray. He did not speak much of what was needed to preach well, but much of praying well. To know how to speak to God is more than knowing how to speak to man. Not power with men, but power with God is the first thing."  Andrew Murray

DAISY NURSERY SCHOOL - Have YOU remembered the Daisy Nursery School in Japan? Mrs. Nakada has these little children all week and also on Sunday for Sunday School. They are very young and are being reached early for the Lord. She needs our material help. The mothers only pay $2 per month for each child left at the school. This does not cover the cost of all needed supplies. Please remember our project.

RECEIPTS - If receipts for Daisy Nursery school project are desired for income tax purposes, donations should be made through the Seminary business office marked "Philotheans, Daisy Nursery School."
