USE OF TAPE RECORDERS and audio-visual equipment. The two tape recorders for speech use are
now kept in the new "Fuller Theo. Seminary Sound Recording Studio" (more commonly known as the
fan room)--the room which is between the bulletin board and the phone booths off the main lobby
Recorder No. One (black Sandtape) is set up and ready for use there. When the Recording Room
and Recorder One are already in use, you may check out Recorder No. Two (brown Ekotape) from
the Recording Room and take it to a vacant room in this building (except on the 2nd floor,
where no student use is permitted). Recorders are not to be taken to dorms or residences.
The key to the Recording Room may be checked out from the Librarian in the Stack Room during
the day and on Sat. morning. It may be checked out from the attendant in the Reading Room
in the eve. and on Sat. afternoon. Hebrew students note: The Hebrew tapes are recorded at
slow speed and cannot be played on these two machines, which have only medium speed. Use Re­
corder No. 3, which is kept in Dr. Labor's office. For any problem regarding tape recorders
see Dr. Lantz. Other audio-visual equipment: No other audio-visual equipment is available
for student use without faculty permission. No equipment is available for use outside the Seminary building or for any sort of personal or church or outside organization use except by
special faculty action.
