Would you like some editorial experience? The student journal, Studia Biblica et Theologica, is looking for someone to serve as Associate Editor (student editor) for the coming academic year (1976-77). Applicants should demonstrate good work in biblical and theological studies here at Fuller, as well as a good knowledge of English grammar. A modest stipend is involved. Interested students may contact Lynn Losie through the Graduate Office.

Papers are now being received for the next issue of the student journal, Studia Biblica et Theologica. If you have done some excellent work for a course which you would like to have considered for publication, please contact Lynn Losie.

The new student council officers are looking for a secretary — anyone interested? This position is open to either men or women, students or student spouses, and is a part-time job. Contact Scott Oas or Dave Daubenspeck if you are contemplating this position.

Where can you play a grand piano (or have an old fashioned hymn sing)? Where can you watch TV and get an ice cream bar in a machine that's stocked? Where can you have a private conversation or Bible study? Answer: THE STUDENT LOUNGE, across the courtyard in Kreyssler Hall. Groups wishing to use the Lounge for special occasions see Betsy Richards, social chairperson of the student council, or one of the officers.

Parents please check line 21c of your federal income tax (page 9 with the long form), for you are probably eligible for an earned income credit which will return several hundred dollars to you beyond the Federal income tax withheld. The main criteria a) make less than $8000, b) pay more than half the cost of "keeping up a home" (which includes renters) with earned income (i.e. not VA money or welfare), and c) support a dependent child. Call the El Monte IRS at 572-7981 if you have questions. Even if you have already filed, it would be very worthwhile to file an amended return if you qualify.
The Faith Renewal Team could be your Christian ministry next year. As a team member you will be working closely with Dr. Bob Munger, commit yourself to five other people for the year, travel to churches for weekend ministries, and have an opportunity to utilize your small group experience. The team is interested in students, spouses, and single students. Watch for the coming chapel service and interview booth.

Courses are added or dropped through the Registrar's Office. No course has been added or dropped until proper forms are completed by the student in the Registrar's Office -- so no matter how reassuring the professor may be, be sure you handle this properly. (See Handbook #11, p.6).

Each faculty member decides whether work not finished at the end of the quarter warrants an "incomplete" or simply a reduced grade. Incomplete work must be completed no later than four weeks after the conclusion of the quarter as fixed by the catalog calendar and the grade reported for the course will be lowered by one level. (Since this regulation has been set by the faculty, exceptions can be made only by the Academic Affairs Committee in response to petition by the student. Therefore, students should not seek to negotiate directly with the professor of the course). See Handbook on "incompleted", p. 8.

Statement of intention to graduate must be made at the time of registration each quarter of the year of the student's graduation. (See catalog, p. 18).
