"Each applicant must give evidence of a call to Christian vocation, be regularly enrolled at an accredited institution" and ensure that all required documents are in the hands of the Scholarship Committee by FRIDAY, JUNE 7th. Applications are available in the Financial Aid Office upon request.
HEALTH INSURANCE

Please come to Registration prepared to purchase health insurance (bring your checkbook!) or to give the name of the company with which you are insured. Your cooperation is essential in order to make a group policy available to all Fuller students. If you are taking classes this quarter, but are not registering summer quarter, you may still purchase student insurance at Summer Quarter Registration or in the Office of Student Concerns. This applies only to continuing students.

It is better for everybody — especially you — if you have already decided what insurance coverage you want when you come to Registration. If you do have to make a decision later, the deadline for dropping insurance is Friday, June 28th. Any additional coverage or new policies purchased during the 2 week add period must be paid in full at the time you sign up.

HOUSING

As indicated in recent issues of the SEMI, the Housing Office is currently trying to clear up aging accounts, and to do so is preparing "Pay or Quit" (Termination of Rental Agreement) notices. Those residents who have an outstanding balance and have not made payment agreements with us will be subject to a termination of their rental agreement. To avoid being served a "Pay or Quit" notice, please contact the Housing Office in person no later than June 10, 1985. Thank you for your cooperation.

To all students who plan to register for Summer Quarter. Be advised that if you still have an outstanding balance on your housing account you will not be allowed to register until you have made payment agreements with our office prior to May 13, 1985. There will No Exceptions. Payment agreements must be made in person in our office during the hours of 9 am - 12 noon and 1-4 pm, Monday through Friday.

The Housing Office needs to update the current waiting lists for Fuller Housing in order to have a more accurate picture of actual housing needs. Therefore, we are requesting that those of you who filed a Fuller Housing Application card prior to January 1, 1985, and who are still interested in securing Fuller housing, contact our office in writing or in person (please avoid phone calling) on or before May 15th. Names/applications which have not been updated by the 15th will risk being dropped from all lists. Thank you for your cooperation in our attempt to serve you more efficiently.
