The ‘luck-bringing god’ is perhaps the most popular god. Forty miles outside Tokyo there is a ‘luck-bringing-god’ temple called Narita–San. All the year round, year in and year out this temple sells various ‘protection oracles’ against evil spirits, traffic accidents, sickness; and ‘luck words’ which read ‘your business will grow and you will make more and more money and your wife will always be beautiful’! There are perhaps two kinds of religion: ‘luck-bringing’ and ‘not-luck-bringing’. The former is popular and the latter is not. The human mind is very interested in ‘luck-bringing religion’ and we are constantly making all kinds of ‘luck-bringing gods’. Actually we are not interested in ‘gods’. We are interested in what they bring. The Biblical faith is not a ‘luck-bringing religion’. It rejects the commercial position that ‘I believe in God because if I believe in God I will have good luck’. This is tantamount to saying: ‘You know I am not interested in God. I am not interested in Jesus Christ. But I am interested in what God in Christ brings to me! By giving his own life, Jesus Christ came and spoke to us. Not by giving his ‘money’, ‘luck’ and ‘something he brings’, but by giving himself he came to us. Human life must not run on the principle of commercialism. It must be run by the power of Self-giving Love.

CAMPUS DIRECTORIES. By the time you receive this or shortly thereafter, you should receive the first section of the 1986-87 Campus Directory in your mailbox. This first section lists students, faculty and administration/staff and gives such information as program (students), denomination (faculty and students), home address, phone number, and mailbox. Please remember that this directory is for the use of the Fuller community only, and is not to be provided to any individual or organization outside of the Fuller community.

The early delivery of this section of the 1986-87 Directory comes to you from the Registrar’s Office, with the assistance of the Office of Personnel Services, the Provost’s Office, the Office of Communications and Public Affairs, and the Mail Center.

The second section, containing photographs of the same three groups, will be out in just a few weeks.

INFORMATION UPDATES. If any of the information listed with your name—or your name itself, for that matter—is incorrect, there is one simple explanation: you didn’t tell us (at least not in time). If the degree program listed is different from what you think it ought to be, see your advisor first. If any other information listed is incorrect—name, telephone number (including area code), address, box number, or denomination—come to the Registrar’s Office for a Change of Information Form, and we’ll see that the appropriate corrections are made in the Seminary records. If you are registered but not listed, it probably means that we did not yet have a California address for you.

DROPPING COURSES. The last day to drop a ten-week course without grade penalty is Friday, October 24. After that date, any course dropped is entered as a No Credit (NC) on your permanent record. The last date for any refund (25%) for a ten-week course which is dropped is Friday, October 17. The following is the refund schedule for SOT and SWM students in two-week intensive courses:

- End of 2nd day of course......100%
- End of 3rd day.................75%
- End of 4th day.................50%
- End of 5th day...............25%

INCOMPLETES. A reminder that students in all three schools who were granted an Incomplete in Summer Quarter School of Theology classes (including the classes which met Sept. 2-12) must submit their work to their professors no later than Wednesday, November 26 (the last day of classes this quarter). Faculty are not empowered to extend this deadline, so please do not put them in an awkward position by asking for more time. Petitions for Extension of Incomplete must be filed through your academic advisor no later than the end of the ninth week of the quarter, and are granted only when very extenuating circumstances exist.

New policies regarding incompletes (and holds) will be in effect beginning with incompletes (and holds) granted for Fall Quarter classes. Watch for a complete explanation of Seminary policies in this area in the next issue.

GRADE REPORTS. You may have noticed something about Summer grades...they were out faster. The Registrar’s Office is proud to announce that we plan to have grades out to you within the same week that we receive them from the faculty (the third week after final exam week each quarter). And thanks to the mailroom staff for getting them out in record time as well!
