Applications are available in the Office of Financial Aid for the May 29, 1987 deadline.

Office of Finance and Accounting

Clearing Student Accounts
If you are planning to register for Summer Quarter during the week of May 19-20, and if you have an outstanding balance on your student account, then you must clear your balance with the Office of Finance and Accounting prior to May 15, 1986. Please keep in mind that students are seen on an appointment basis only, so be sure to call ahead of time (584-5475).
Summer Registration/Payment
Please come prepared to pay for all miscellaneous fees, including Health Insurance and YMCA/PAC Membership, at the time you are scheduled to register. (Don't forget to bring your checkbook)!

Student Loans
NDSSL/GSL recipients may endorse their Summer Quarter loan checks at registration, thereby eliminating the need for a special appointment at a later date. Simply look for the cashier terminal marked "NDSSL/GSL".

Tuition Remission
Summer '87 Tuition Remission Cards are due in the Office of Finance and Accounting no later than Friday, July 3, 3 p.m. Please be sure that the card is completed and approved by your supervisor before it is completed. ▲ HEALTH INSURANCE

Summer Quarter Deadline
Students who wish to purchase Student Health Insurance through Fuller may do so at Registration. Remember that in order to register you must either purchase insurance (payment due at Registration) or show proof of other coverage. You may not register without paying for insurance or showing proof of other coverage. Students registering late or continuing in the Fall but not taking Summer courses may buy insurance for the summer until June 26th, but not after that date. See the Office of Student Concerns, 584-3406, for further details.

▲ HEALTH AND REFERRAL SERVICE

Health Center Discontinued
The Student Health Service, which provided an on-campus nurse during limited hours three days a week, has been discontinued due to the financial constraints of underusage. A medical referral list of local doctors who have been recommended by Fuller students and faculty is available for student use in the Office of Student Concerns. The exceptional concern and service provided by many local medical personnel has been a blessing to many students, and has proven adequate for most of Fuller's medical needs. Students may feel free to look through the referral list in Student Concerns, above the Catalyst.
