STUDENT COUNCIL NEWS

his update is an attempt to facilitate communication between Student Council and the Seminary. Student Council meetings are now held on Tuesday mornings at 7:00 a.m. in the Catalyst. If you would like any items added to the agenda, please submit to Vicki Van Horn, Box 38. Student council minutes are posted on the Council Board each week.

LECTIONS - It was announced that elections will be held in two weeks for President, Vice President and Treasurer. Anyone interested in running should contact Ed Cook.

OMEN'S CONFERENCE - Powell, the COMWENS coordinator, reported that the content of the past conference was outstanding, yet she was disappointed in that only 10% of the women at Fuller attended. She along with the administration feel that it is a vital part of the education for women at Fuller and a decision will need to be made as to whether this conference will be repeated next year.

PRITUAL LIFE FORMATION - It was reported that the spiritual life committee was very involved in various plans to increase the spiritual formation of students on campus. One of their various proposals was discussed at length and it was decided to invite Dr. Munger, the chairman of the committee, along with Wes Balda and Dean Meye to the next council meeting to discuss this proposal with them.

AYTON 101 - SUNDAY STUDYING FACILITIES - Council has been asked by the Dean to provide our own volunteer staff if we wanted Payton 101 open on Sundays for studying. Discussion followed regarding the inconsistency with administration policy over not being willing to hire personnel to facilitate studying yet being willing to do other activities on Sunday which appeared to follow the same theological criteria. But in the interest of serving the students it was decided to try and find such a volunteer.

MAILROOM VANDALISM: Over the past weekend, some youth entered the mailroom, punched out the lock in many mailboxes, broke a cue stick, and threw a cueball through one of the mailroom windows. This is not the first time that such vandalism has occurred. In the past, some members of the Fuller community have also allowed small children to use the pool table and even climb on it. The result is a very badly damaged pool table which needs a lot of repair. Cue sticks and cue balls have also been misused by some in the past.

In an effort to protect Student Council property (and also the Mailroom facilities), we will begin restricting the use of ping pong and pool table equipment to the hours of 8:00 a.m. to 8:00 p.m. (effective Friday, February 17). During all other hours, the equipment will be locked in the Mailroom. There will be no use of the equipment on weekends.

MAIL TABLE AND PING PONG TABLE USERS UNITE...If this new policy conflicts with your need to use the tables during other hours, we are very open to alternatives. However, it is essential that several students take on the responsibility for working up some system of accountability whereby students have access to the equipment, but also the equipment is protected from vandalism by members of the community. Please contact Larry S. Burroughs, Student Council President (Box 962).

YOUR CULTURAL INFORMATION: The Norton Simon Museum is open to the public from 12:00 to 8:00 p.m. on Thursday, Friday, Saturday and Sunday.

Do you like Navajo jewelry? Mrs. R. Pierce Beaver, wife of SWM professor, is on campus for no weeks with her husband. She lives in Arizona and has brought with her authentic Navajo jewelry created by Christian Navajo artists. She sells the jewelry for the artists and can give good prices and still return more profit to the artists. She will be available Tuesday, February 14 in the SWM Reading Room from 9-12 a.m. Go talk to her about it and look at the gorgeous stuff.
