UNFORTUNATELY not everyone reads the SEMI. Spread the word that making flight reservations through the Fuller Student Travel Service costs no more (maybe less) than calling the airline direct, benefits the student body, and gets your ticket(s) delivered to your mailbox. Such a deal! F.S.T.S., Box #20, Room 201 upstairs, Student Center. Monday, Friday 9-12; Wednesday 1-3:30.
ANYONE WISHING TO HAVE A PRESENTATION OF Bread for the World's Work made at your church, youth group, etc. is encouraged to contact Wes Mills (#355) to check on the possibilities of such.

Discuss Short-Term Missions with the Mission Intern Committee in the Garth this week: Tuesday-Thursday, 11:30-1:00. Then anyone can come Friday, February 24 at 6:30 p.m. for a potluck dinner in Geneva Room. See slides of tribal work in Irian Jaya! Last names A-I bring salad, J-O dessert, Q-Z drinks or rolls. Deadline for submitting preliminary applications is Friday!

APPLICATIONS for the 1978-79 FAITH RENEWAL TEAM are being received through Friday, February 14. Please see Jackie Millham in 150 Oakland, second floor.

ONCERNING THE NEW COURSE New Testament Spirituality NT586, some students are wondering about the content of this new course with its mysterious name. Beyond the word already distributed in the Expanded Course Descriptions, I would like to report that the course will focus on such themes as: Jesus, man of the Spirit; Jesus' relationship to the Father and our relationship to the Father; Discernment; The contemplative reading of scripture; Holiness, separation, perfection; Prayer; Sexuality and spirituality; Speech and silence; Truth and lies; Gratitude; obedience, decision, and openness to God; Struggle, suffering and death; Koinonia—the common life in the body of Christ; Faith, hope and love (1 Thessalonians); The use of money and spirituality; poverty. Dean Meyle

h.M./Ph.D. Students in the School of Theology should sign up for a registration appointment during the week of February 27 - March 3 to see Lynn Losie, Room 211.

CTOR OF MINISTRY SEMINAR...Please welcome the Doctor of Ministry participants listed on the back of this week's SEMI. Take time to greet some of these Christian leaders. These students have come for a seminar, "Theology and Styles of Worship," led by Dr. Robert Schaper, and a course, "The Art of Teaching the Christian Faith," by Dave Stoop. They will be with us from February 20-March 3. If you want to contact a specific individual you may do so through the Continuing Education office in the back of Slessor Hall or call Ext. 190.

STUDENT COUNCIL NEWS

This update is an attempt to facilitate communication between Student Council and the Seminary. Student Council meetings are now held on Tuesday mornings at 7:00 a.m. in the Catalyst. If you would like any items added to the agenda, please submit to Vicki Van Horn, Box 38. Student Council minutes are posted on the Council Board each week.

ELECTIONS - It was announced that 9 persons were running for the 3 offices. Elections will take place at the end of next week.

CONSTITUTIONAL REVISION COMMITTEE - John McClure reported that he and his committee are working on a revision to the constitution which would allow for the Psych School and SWM to have more of a voice. The revision would also gain more of a representative student input in the trustee, faculty and administrative level. Within two weeks the Committee will bring to Student Council the changes proposed thus far for total Council input.

SPIRITUAL DEVELOPMENT - Dean Meye, Dr. Munger and Wes Balda attended this meeting at Council's request so that Council could continue discussion of the proposed mini-retreats for next year. This proposal is part of the vision to enrich student/faculty relations with the goal of increasing our spiritual lives. The questioning included such issues as (1) whether the time demands placed on faculty and students to achieve academic excellence prevented the development of individual and corporate spiritual life, (2) the fact that historically faculty have only had the models of "the publishing professor" to emulate which resulted in a pressure to become this type of faculty member rather than having the "pastoral" role, (3) issue of follow-up after the retreats, (4) should old deadwood Student Council money allocations be replaced by new endeavors, etc. Council voted to support the Spiritual Life Committee's endeavors and to help in any way possible.
