QUOTE FOR FINALS

"Of course. It always was like this. All horrors have followed the same course, getting worse and worse and forcing you into a kind of bottleneck till, at the very moment when you thought you must be crushed, behold! you were out of the narrows and all was suddenly well. The extraction hurt more and more and then the tooth was out. The dream became a nightmare and then you woke. . .

—C. S. Lewis, The Screwtape Letters

GOD BLESS!
