YOU NEED A HAIRCUT: And finding a new hair designer you can trust can be like trying to part the Red Sea with a comb. Wrong.

My name is Andee Haack. Over 50% of my clients are Fuller students and staff. I get to know you and your hair. I listen to your ideas and preferences. We work together to design precision cuts that look great every day, not just when you leave the salon.

My fees aren't bargain basement prices: they're standard area rates for cuts, perms, highlights and color. But the fact is you can get hacked or you can get Haacked. It's that simple. Call me for an appointment: Andrea Haack at Olan's (233 N. Lake Ave, near Walnut), 798-5012. If you're a Fuller student, spouse, staff or faculty member, I'll take 20% off of your first haircut.
