EDUCATION FOR MINISTRY:

The following representatives will be on campus on the dates specified to interview applicant for internships. Please sign up for appointments in the Education for Ministry office. If no one signs up the representatives may cancel.

THIS WEEK:

The Reverend Phil Vincuilla will be here from First Baptist Church of Temple City on October 10th (Tuesday) to interview for a junior high co-leader position. This person would be working with a leader already at the church to develop a team ministry. It will be a 20 hour per week position and asked to give a two year commitment.

Youth for Christ will be sending two representatives, Bill Randolph and Lynn Ziegenfuss, to interview for a Club Director. This would be a part-time position coordinating the high school ministry. They will also be looking for volunteers willing to work with the youth supervised by the Club Director. (Club Director needs to have had youth experience. They will be here on Wednesday October 11.

Rev. Bob Brwuwer and Bill Mellinger of the First Baptist Church in Covina will interview students for an internship at their church. The position would involve ministry to college-career people. They will be on campus on Thursday, October 12 from 12-4 P. M. Please sign up in the Education for Ministry office.

IT'S NEW! ! Students in search of church internships: the Education for Ministry Office would like to announce that we have a room in our office designated to serve you as the INTERN INFORMATION CENTER. In it you will find posted all available internships, a book with full job descriptions, and maps to help you find the places you need to travel. Because this is new this quarter, we would like your suggestions and evaluations of the facility, we want to serve you in the best way possible.

KINFOLK TOGETHER: This year again we are privileged to have as part of our Community International students from around the globe, representing the rich texture of the Body of Christ. It is hoped that our fellowship and intersupport can increase to new levels this year. Many International students do not have transportation and would appreciate opportunity to see some of the sights of the Southland (be that Disneyland or FEDCO) while growing in relationship and understanding with American students. For those living on campus, a weekend dinner and fellowship together might be a welcome change. On multiple levels, we have much to share with each other as we realize new dimensions of our kinship in Christ. If you'd like to make connections to share an evening or a day, please contact Mark Nikkel in the SWM, Ext. 253, Box 1145, or 792-5845.

THE MISSION PRAYER GROUP ... meets every Monday morning at 10:00 A. M. in Library Room 203. We have a short devotional and then pray over various concerns of Christian Missions throughout the world, often focusing especially on one particular country. The Missions Prayer Group is open to all students. For more information, contact Ken Lotze, Box 1117.
POT-LUCK DINNER FELLOWSHIPS... held monthly the first Fridays for fun, food, and fellowship. The purpose of the pot-lucks is to promote interest in missions and seek ways of involving students in cross-cultural ministries locally and abroad, and provide specific support and encouragement to students.

THE FULLER MISSION INTERN PROGRAM... encourages and facilitates short-term involvement in world mission for Fuller students. Terms fall between approximately two or three months and one year's length. A mission intern engages in cross-cultural Christian ministry under approved supervision. The student arranges this through a mission board, since the Internship Program is not in itself a sending agency. (The Intern Committee will be offering counseling for interested students to help in this process.) Financial help is available to each accepted intern through the Fuller Fund.

Are you interested in World/Foreign Mission where you live? Come hear Dr. Mark Hanna on the strategic nature of ministering to internationals in our communities at the 25th Anniversary Banquet of INTERNATIONAL STUDENTS, INC., (ISI); October 13th, Friday, 6:30 P.M., at First Presbyterian Church, 1760 N. Gower, Hollywood. The cost is $3.50 per person, except for Fuller International Students who are free. Please call Sam Ommen (213) 283-5477 to make reservations or to answer your questions, or, drop a reservation notice to Leitan Chinn, Box 1047.

We are in the second year of PESET, the Proyecto de Estudio Sobre Educacion Teologica and are now entering the phase of critical research. I am responsible for data gathering but I cannot conduct over 100 in depth interviews with pastors all by myself. If you would like the opportunity to study firsthand the state of the Church in the Hispanic community, please contact me. Training and remuneration will be provided.

EUROPEAN FELLOWSHIP... If you have an interest in any country in Europe for any reason, you are invited to attend our weekly European fellowship. We report on current happenings, share prayer requests and generally exchange information on what God is doing in various parts of Europe. We meet Mondays, from 10:00 - 11:00 in the office of C. P. Wagner (SWM wing). This week we will be talking about Church growth in Germany. Roger Bosch Ext. 145.

ATTENTION UNITED METHODIST STUDENTS... Don't forget that the small group for United Methodists will be held Saturday, October 7th at Rick Colin's apartment, 424 N. Oakland #24. SELECTION OF STUDENT COUNCIL REPRESENTATIVES

The following job descriptions pertain to the representative positions which are to be filled as a result of the October 24-25 selections:

School of Theology: 3 positions to be filled--President, Vice-President, Secretary/Treasurer. These three positions constitute the Cabinet of the Theology Graduate Union. At present, specific job descriptions for each officer are undetermined due to the "pioneering" nature of the Theology GU. That is, because this is the first year that a Theology GU will exist apart from the larger Associated Student Council (see Student Council bulletin board for more information.) Job delineations within the Theology Cabinet have yet to be established and will constitute a prime task of the new Cabinet. In general, the Cabinet's function is described as follows: The Theology Graduate Union Cabinet is a Theology School-wide information gathering unit, responsible for school-wide communication, representation, and advocacy. The GU shall have representatives on all Theology School committees, especially those pertaining to curriculum and academic affairs, and shall work as an active liaison between the faculty of the Theology School and the Student Council. The GU shall have a regular newsletter, informing students of the workings of the Cabinet and soliciting both debate and support concerning Cabinet decisions. Each GU shall have a constitution, approved by the Student Council, and since the Theology GU is just getting under way, it will be the prime responsibility of the selected Cabinet to initiate work on this task. (See John Mc Clure for further details).
