Blessed be the Name of the Lord
From this time forth and for evermore!
From the rising of the sun to its setting
the Name of the Lord is to be praised! (Ps. 113:2,3)

God loves to hear our praises. It pleases Him to hear the sounds of his people lifting praises unto His name. Let us join together this week in Chapel and lift our corporate worship unto our God and King.

Mission News

ATTENTION MISSION STUDENTS AND ALL STUDENTS WITH AN INTEREST IN MISSIONS: Do you ever think about Mission Churches in lands where persecution is the norm for Christians? What happens to these young churches when the governments kick out all the missionaries and more or less sanction the persecution of believers? How can both missionaries and nationals learn to prepare for this possibility? The Mission Renewal Team has invited Dr. Arthur Glasser, Dean of the School of World Mission, to speak on the topic "How to Prepare the Mission Church for Persecution." Dr. Glasser's talk will be given on Friday, November 17, at 3:30 P. M. in the Geneva Room. Refreshments will be served following the talk and the Rev. Bill Goheen, Executive Director of the Mission Renewal Team, will be on hand to visit with anyone who is interested in the ministry of the MRT. Everyone is invited. (Jim Dorman - ox 728)

Spiritual Life

The Spiritual Life Committee of Fuller Theological Seminary wishes to inform the Seminary community that it is interviewing applicants for the position of Trainee-Intern with the Office of Christian Community. Persons hired for this position can expect to be challenged to move to the very edges of their faith as they labor for the building up of this community in Christ. They must be prepared to commit themselves to a few others who, in a fellowship of mutual submission and love, will endeavor to stimulate one another to press on toward the measure of the stature of Jesus Christ. In this context the Trainee-Intern must be prepared to open herself/himself to being ministered to by this community in as many ways as she/he ministers. The Trainee-Intern must be prepared to be misunderstood and to fail, but at the same time can expect to have a front row seat to watch the Lord working out his plan for the Fuller Schools of World Mission, Psychology and Theology.

Specific functions of a Trainee-Intern may include: being a resource person for the creation of small group fellowships; working with others to discover what aspects of the institutional life of the Seminary work to energize the move of this community toward God; working to change enervating institutional factors to facilitating factors; raising the level of consciousness with regard to our real purpose for living in conversations with individuals and groups; working with interested faculty members and classes to create a community more conducive to spiritual growth; discovering how to do the above; other functions as the Spirit of God opens us to possibilities we could not have dreamed of.

Interested applicants should send their application to the Office of Christian Community, Box #29. The application is to be a letter from the individual expressing his or her dreams/visions/concerns for the life of the community in Christ at Fuller. Please include your name, box number and phone number. Financial remuneration is commensurate with the responsibilities of the position. (Mary Jepson - Box 29 - Ex. 281)

**FACULTY/STAFF/STUDENTS**

To help promote healthy relations between Fuller Seminary and the local churches, and in order for Fuller to keep an accurate record of church usage for billing purposes, PLEASE observe the following guidelines.

1. Please channel all requests for use of church facilities through the FTS Maintenance Office, at Ext. 183. Do not contact the churches directly.
2. Please contact us by phone for reservations two weeks in advance, and at the latest, by Wednesday afternoon for reservations for the following calendar week. We realize that last minute emergencies do come up, but please try to plan ahead.
3. If there are any changes in or cancellations of your reservations, please contact the Maintenance Office by phone and follow up your verbal message in written form (a memo is fine.)

Failure to follow these guidelines results in frustration for the church administrators and some of the FTS staff. We greatly appreciate your cooperation in this matter.

Judy's Corner

Thanks so much to the majority of you who are remembering to put your name and box number on your article. There are still a few of you who are forgetting. I will not be able to put the article in, if this information is not on.

Among so many, can He care?
Can special love be everywhere?
A myriad homes, a myriad ways,
And God's eye over every place?

I asked: my soul bethought of this;
In just that very place of His
Where He hath put and keepeth you,
God hath no other thing to do!

FLASHES FROM FINANCIAL AID........

It is good to announce that the new Coordinator of Student Loans is in her training period in the business office and is anxious to serve you. Her name is Mrs. Rae Kelly. She may be reached during the morning hours normally. Please call her for special arrangements if this is not workable with your schedule.

Rae and Claire will share the same extension (#269) as soon as the telephone people get around to converting the line. For the present, in spite of what the new In-House Directory says, call x123 to get Student Accounts OR Loans.

NDSL papers are being prepared now. If you have been assured an NDSL, please come in to sign beginning Monday 11/13 and BEFORE 11/30. Even though the government money has not been received yet, you may complete the paperwork with us and leave the endorsed check for processing when the funds arrive to cover it. When the money arrives, you will be free to take the check with you instead of leaving it here. PLEASE NOTE: YOU WILL RECEIVE YOUR LOANS THREE TIMES THIS YEAR INSTEAD OF THE USUAL ONCE. YOU WILL NEED TO COME IN EACH QUARTER TO SIGN AND GET THE MONEY. PLEASE KEEP THIS IN MIND! GOVERNMENT REGULATIONS REQUIRE IT.

ALSO IMPORTANT: Many of you Theology and Psych students have not signed for your LOAN/GRANTS. Any that remain unsigned by the end of November will be considered unneeded, and the money will be reallocated to other students who do need it. This is the final period of grace.

Applications for CALIFORNIA STATE SCHOLARSHIPS have been received for the 79-80 school year. You are invited to pick yours up in the business office. Either Illene or Rae can supply you.

Thanks for reading!
