CHAPEL: A FULLER SERVICE OF WORSHIP

Be Thou my Sun, my selfishness destroy,
Thy atmosphere of Love be all my joy;
Thy Presence by my sunshine ever bright,
My soul the little mote that lives but in Thy light.

The highest pinnacle of the spiritual life is not happy joy in unbroken sunshine, but absolute and undoubting trust in the love of God.

THE TEN O'CLOCK EVENTS FOR THE WEEK

Tuesday

This is our last opportunity to hear our Pastor-in-Residence, Ron James as our Chapel preacher. (He and Lois will be on campus through February 19.) His ministry has been a gracious and helpful one, and our entire community is urged to join in this worship service.

Notes From The Pastor-in-Residence:

I hate to see grown men cry! But this morning at breakfast there were these big tears about a coming Greek exam, as several male students joined in a mutual commiseration society. Breakfast broke up as one student asked, "Tell me, pastor, does a seminary education have any relevance for the ministry?"

Let me reach behind that half serious question: Every seminarian suffering the rigors of the educational process wants to know whether she/he will be equipped to do ministry. "Will I be an effective servant of Christ? Will I be able, through my gifts, education, personality, my self, to communicate Christ to others?"

In my last chapel time with you, I will try to speak to that deep concern. What is the nature of the authority, external and internal, with which we speak in Jesus name?

Prayer Group News

A new Prayer and Fellowship Group called American Church Growth meets each Monday morning at 10:00 A. M. in Payton 301. Our purpose is to pray for and inform on and encourage in national and local revival renewal evangelism and reformation. All those interested in improving their personal witness and taking the Growth of the Church in America on their heart are warmly welcome. Please come and help us get started. We're just forming.

Curious about North Ireland? Monday at 10:00 A. M., Bill Addley, a pastor at Ebrington Presbyterian Church in Condonderr, North Ireland, will be leading our European Fellowship time. He will give us first-hand information about present conditions in his country and what God is doing in the midst of all that is happening. Join us for a time of listening, praise and prayer. (In the Office of C. P. Wagner, the SWM Wing). Roger Bosch, Box 1106.

Catalyst

Harold Lindsell will be at the Catalyst each day next week to discuss with students his theological offerings. All interested students are strongly encouraged to encounter his perspective and digest his unique menu. On Wednesday he will be accompanied with Harvey Cox. Each will sandwich his consuming theological perspective to nourish the hungry and starved for truth. Please address all questions to the Catalyst by requesting, "May I please be in dialogue with Harold Lindsell?" Thickest may be bought for $1.45 plus tax.

Muggers at large! Please beware of anyone on campus filling the following description - five inches tall, white, round body, wide mouth, and one ingrown arm. Warning: these muggers are extremely dangerous and have been known to splash hot liquids on unsuspecting students and staff. All arrests should promptly be brought to the Catalyst for processing. Help these muggers to clean up their lives. A potentially greater danger exists, though in their silver accomplices. These criminals have spooned leaflets to those thirsty for exotic experiences but have only led naive students to diluted truth and hot water. The Catalyst desperately needs all tea spoons returned promptly. Thanks.

Student Accounts

We need someone to fill a part-time position as assistant to the coordinator of student accounts. This will be a 20hr/week job (probably 1-5 P. M. Mon. - Fri.) at $3.50/hour. Bookkeeping experience or an interest in math, typing skills, a college degree, and an outgoing personality are all preferred qualifications. If interested, call Illene Peevyhouse at Ext. 123 or come into the business office to fill out an application and make an appointment with Illene for an interview.
Student Accounts (Cont.)

Please take special note of the two brochures attached to the back of this week's SEMI. The pink one is to remind you of the fast approaching spring quarter registration (March 5-9) and the specifications you must meet on your student account in order to register. We will be abiding strenuously by the policy set forth in this brochure—so, be sure that you contact Illene Peveyhouse in the business office prior to the week of registration if you have the slightest doubt as to whether your student account will meet the standards. Also, if you make payments on your student account during the month of Feb., be sure that you bring your receipt(s) with you to registration—just in case we do not have record of it yet.

The gold brochure is to answer some of the most common questions asked about student accounts. Please detach this brochure and keep it in a place where you can refer to it when you have questions.

Good luck to you all as you finish up this quarter. (Illene Peveyhouse - Coordinator of Student Accts.)

Answers to the Most Asked Questions About Student Accounts

Statements

Q. How often will I receive a statement of my student account?
A. Every month, unless your balance is zero — then you will not be sent a statement.

Q. What time of the month can I expect to receive my statement?
A. About the second or third week of each month — even though the balance reflected on the statement is from the end of the previous month.

Q. What will my statement include?
A. It will include the balance of your student account from the previous month, a list of all the transactions which have occurred on your student account for that month, and the balance of your student account as of the end of the month.

Q. Why is the student number on my statement different from my ID number?
A. Your student number in the student accounts program is completely separate from the number assigned to you by the admissions office and which appears on your ID card.

Q. Why isn't a payment I made toward my student account on my statement?
A. When you make payments toward your student account, it can take anywhere from one week to a month to appear on your student account records. This means that when you make payments on your account towards the end of a month it will probably not appear on the next statement.

Q. Why aren't my grants reflected on my student account?
A. Grants (i.e., financial aid grants, 1/4 rate grants, tuition remission, and hispanic and black ministries grants) are not placed on the student account records until after the 5th week of classes in each quarter. So, if the date of your statement is prior to the 5th week of classes for that quarter, your grants will not have been subtracted from the balance due on your statement. NOTE: This is usually also true of the refunds given for dropping classes.

Q. Why are statements of student accounts sent out?
A. There are two main reasons for this: 1) so that you can make sure that all of the charges and credits placed on your student account are correct and 2) so that you can know what the balance of your student account is before you make your payments.

Q. What should I do if I have a question concerning my student or bookstore accounts?
A. Come into the business office and talk to Iliene Peevyhouse. Remember, you can make appointments to do this, if you wish, by contacting Kathy O'Neil (the business office cashier), ext. 195, or Iliene Peevyhouse, ext. 123. The hours available for appointments are 9:00am - 12:00pm and 1:00pm - 5:00pm, Mon. - Thurs.

Bookstore Accounts

Q. Is my bookstore bill on my student account?
A. No! Your student account and bookstore account are completely separate.
Q. Can I have a credit in my student account transferred to my bookstore account to pay that bill (or vice versa)?
A. Yes you may -- but, you must request this to be done each time you wish to make a transfer between the two accounts. This request may be made to Illene Peevyhouse (coordinator of student accounts) by either coming into the business office in person, calling ext. 123, or mailing the request through the inter-office mail.

Student Health Insurance

Q. What is the name of the student health insurance company?
A. American National Insurance Company. However, the admissions for the FTS student health insurance plan is handled by Illinois Interstate Ins. Agency, Inc. and the claims are handled by Concorde Insurance Marketing Corp.

Q. In an emergency, how can I prove that I have health insurance?
A. Most hospitals will just take your word for it when you tell them that you have coverage through Fuller Seminary, especially if you show them your ID card to prove that you are a student here. Those hospitals or doctors who need to verify your coverage, however, can do so by either calling Karen Brodsky at the insurance company -- ph. # (213) 550-7404 -- or Illene Peevyhouse at Fuller Seminary -- ph. # (213) 449-1745 ext. 123.

Q. How do I file a claim for my health insurance benefits?
A. Claim forms can be picked up from Illene Peevyhouse in the business office or Vickie VanHorn through FTS Box #38. These forms are to be filled out by you and mailed directly to the insurance company with either the doctor's bill attached or the section for the physician completed.

Q. If I have questions about what will be covered by the student health insurance, where do I go?
A. First, read through the student health insurance brochure. If your question is still not answered, you may call Karen Brodsky in the claims department of the insurance company at (213) 550-7404.

Q. Where do I go if I am having trouble getting a claim approved?
A. If you have a question as to why a claim was denied, call Karen Brodsky in the insurance claim department at (213) 550-7404. For any other problems you may have in getting your health insurance benefits, contact Illene Peevyhouse in the business office.

Parking

Q. Can I get a parking permit?
A. Since we have such a limited amount of parking places on campus, we are only able to issue a certain number of parking permits each quarter. This means that we must keep a parking waiting list --- the sooner you get placed on this list, the better your chance of getting a permit. Thus, if you are on the waiting list, you will be notified as soon as we are able to give you a parking sticker. If you are not on the parking waiting list and would like to be, give your name and FTS Box number or address to Illene Peevyhouse in the business office. Those students who are living on campus and have cars will be issued a parking sticker without having to wait.
Q. Where can I park if I do have a student parking permit?
A. There are three lots in which you may park if you have a student parking permit:
   1) those stalls in the main parking lot on the corner of Oakland and Walnut which are marked with a yellow rectangle; 2) the 50 spaces in the north-center end of the Broadway parking lot on Los Robles and Union; and 3) the 25 spaces numbered 59-83 in the north-east corner of the Scottish Rite Cathedral at 150 N. Madison Ave. Please, do NOT park in the University Club or the Congregational Church parking lots at any time.

Q. Where can I park if I do not have a student parking permit?
A. Unfortunately, there is not an easy answer for this question. To the best of our knowledge, the only thing you can do is park on the streets and move your car every 2 hours to avoid a parking ticket. The only time you may use the Seminary lots without a parking permit is after 5:00pm weekdays or on the weekends.
