Chapel: "A Fuller Service of Worship"

So we may know God better
And feel His quiet power,
Let usdaily keep in silence
A meditation hour.

The state of mind which is described as meekness, or quietness of spirit, is characterized in a high degree by inward harmony.

THE TEN O’CLOCK EVENTS FOR THE WEEK

Tuesday

Dr. Ian Pitt-Watson will be our Chapel speaker for the day. Dr. Pitt-Watson is a Visiting Professor of Preaching and on our seminary campus for two weeks from Christ’s College, Aberdeen, Scotland teaching a course in Preaching Christ. Let us welcome him to our campus.

Wednesday

COMMUNITY DAY - ALL OFFICES AND FACILITIES CLOSED SO THAT WE MAY WORSHIP TOGETHER.

SPIRITUAL EMPHASIS AT FULLER - Chapel this morning will be a panel discussion on spiritual development in the lives of President Hubbard, Dr. Newt Malony and Dr. Robert Munger. John Strong will serve at the moderator of this panel. As a special treat we will have the "Praises" group with us this morning also. Let us be present for this very meaningful service.

Thursday

"PRAISES" - This quarter our Thursday student-led "Praises" Chapels are under the theme "Spiritual Journeys". We will meet in the Pilgrim Chapel of the Congregational Church for this time of informal worship which includes the singing of contemporary worship songs and an opportunity to share prayer requests and praises to God. Instead of a sermon, we will be hearing the short "Spiritual Journey" of one of our students, faculty, or administration each Thursday. Please come and worship God with us. (If you have any comments, or wish to be involved in this service, contact: John McClure, Box 590, or John Strong, Box 29.)

Prayer Group News

MUSLIM WORLD PRAYER FELLOWSHIP: A prayer meeting of those concerned for the evangelization of the Muslim world will be held each Monday evening at 5:15 P. M. at the north end of the Refectory. We will eat dinner together and then have a time of sharing and prayer, which should last until about 6:15 P. M. If you would like to pray with us, but the time is inconvenient, please call Jim Healton at 795-5677. Please consider the tremendous needs of well over 600 million Muslims among whom only a handful of missionaries and Christians are witnessing for Jesus Christ.

A CHOIR AT FULLER!! Tom Gray has offered to direct a small Choral Group this quarter to sing at Tuesday Chapels. The choir will be limited to 20 voices, SATB. If you read music and wish to audition or inquire further about this group, please come to the Winthrop Hall, 3rd Floor, Congregational Church next Monday, 10:00 A. M. If this time is impossible, please contact John McClure, Box 590 to set up another time to audition.

Spiritual Life

SPIRITUAL EMPHASIS AT FULLER: The need for creative attention to be given to the matter of spiritual formation in seminary students was forcefully documented in 1972 by the report of the Task Force on Spiritual Development, authorized by the American Association of Theological Schools, entitled "Voyage, Vision and Venture." Please read the following quotes from that report. Hence spiritual development must mean more than therapeutically helping students come to terms with their world, or to discover their identity, or to reshape their style of life. It means coming to terms with God. The answer to their typical question "Who am I?" we believe lies in bringing them to ask the profounder and more fateful question, "Whose am I?" and the goal of spiritual development cannot be less than to give our students a heart to know and love God, and to know themselves as known, loved, and claimed by God.

A seminary is not simply a graduate school, a professional school, or some combination of the two. In their catalogs and brochures most seminaries describe themselves in terms of a Christian community, seeking to serve the various members of that community, the church, and the world in the name of the Lord. Thus, the primary commitment of a seminary is not to training nor to education but to Christ and to His service. It is just this factor that distinguishes the seminary from a university department of religion. It is this basic commitment that give a seminary its raison d'être and finally makes sense out of whatever else it may do.

We would wish that seminaries today accept as their task the spiritual formation of people who will be more than able scholars, or vital human beings, or dedicated social change agents; of people also, whom—with considerable risk—we may speak of as sacramental or holy people; that is, people whose life strikes upon other people as lived from God and unto God, people whose presence somehow both communicates and evokes the divine. This task force is not calling for a more efficient ministry, nor preaching a crusade; we are simply stating our studied conviction that the church and the world need spiritual leaders who are truly people of the Spirit.
Spiritual Life (Cont.)

The fundamental conclusion of the task force was stated as follows:

The spiritual formation and development of seminary students begins with, and is dependent upon, the spiritual formation and development of the faculty, and, if I might add the obvious, it is dependent upon the effective communication of that continuing life of development to us, the students.

At Chapel this Wednesday, there will be an opportunity to hear some of this kind of communication. President Hubbard, Dr. Newt Malony and Dr. Robert Munger will be sharing their own responses to the issue of spiritual development in their lives as well as in this seminary.

Be there. The "Praises" musical group will lead us in song, we shall worship the Lord and partake of some life together. (Feedback to John Strong Box 281, or Ext. 281 or 799-4952).

Financial Aid

STUDENTS WITH NDSLs -- Your checks for the Spring quarter disbursements will be ready for pick-up beginning Monday, April 9th. Please come to Rae Kelly’s desk in the business office in the Month of April during the hours of 9-12 noon Monday through Thursday. If you cannot come mornings, call Rae at Ext. 269 or Kathy (cashier) at Ext. 195 to make a special appointment.

The newly designed Financial Aid Forms are now available. Psych students will get theirs through the School of Psychology. Theology students may pick up a form at the switchboard or in the waiting room of the business office. Missions students will continue to use the financial aid applications provided by SWM.

THE DEADLINE FOR TURNING IN THE APPLICATION HAS BEEN MOVED TO APRIL 30 BECAUSE OF THE DELAY IN GETTING THEM TO YOU. THEY SHOULD BE RETURNED TO THE FINANCIAL AID OFFICE WHEN COMPLETED.

It is important that the figures you enter are accurate as well as legible. Please do not apply for aid unless you really need it. Many students in real need this year had to do without assistance from the Seminary because of the lack of sufficient funds. If you receive aid you find you do not really need, we implore you to voluntarily return the grants and loans to us so that your brothers and sisters can have their crises eased.

It is our goal to inform returning students of their aid packages before the end of spring quarter (via your mailboxes here) but, failing that, be sure the mailing address you show for the summer on the application is the one at which you will be sure to receive notification of the decisions of the Financial Aid Committee in your case. This is particularly important because you will be required to sign the Offer of Financial Aid and return it to us in order to receive the aid offered.

COLLEGE-WORK STUDY Several positions are crying for immediate filling by students who can demonstrate financial need (and which one can't?) Two of the jobs require good typing skills and the other careful clerical concern. Hours can be worked around your schedules. Fifteen to twenty hours a week are needed, but if you can only spare ten, apply anyway. See Claire Wartenberg in the business office between 9 and 12 or 2 and 4:30 daily. Come save us from wallowing in undone paperwork!

Student Council

LAST WEEK'S SEMI said tha you can find me in the Student Council office on M,W, F from 8-9:00A.M. Tha is incorrect. It should be 9:00-10:00 A. M. instead. It is correct that I am there on Th. 8:00-9:00 A. M. (Harold Otterlei)

Office hours for the Student Council Vice-President are: Monday - 11-12 A. M., Tuesday 8-9 A.M., Wednesday 11-12 A. M., Thursday 8-9:00 A. M. Or drop a note in Box 707. Elaine Lyford

YMCA - we are about to lose our membership. Though I have not received an official letter yet from the "Y", I was told by them that after spring quarter, we will lose all privileges there. After that, the only way for a Fuller student to use any of the facilities will be to buy a student membership for about $50/year. The reason: misuse of racquetball courts. As you all know, we recently lost our privilege of signing up for racquetball courts being allowed only to use them on a first-come first-serve basis, relinquishing the courts to full members if requested. Apparently, according to the YMCA Board of Trustees, Fuller students have been breaking the rules. Some of our students have been calling in and reserving courts anyway, not identifying themselves as Fuller students. So, what do we do? 1) If you are one of those who have abused your privilege, please identify yourself. Apologies are in order. If there are several who fit in this category, I think it would be most effective if we appeared before their board with a mass apology. This would not be a very pleasant task. 2) We need to make an appeal. Are there a few of you who would take the interest to meet me and come up with solutions (e.g., how the use of the racquetball courts might be better enforced)? (Harold Otterlei - Box 202)

As the Student Council, we are not wanting to only deal with problems and carry out administrative duties (as important as they may be). We also want to be creative in some of our doings. On Wednesday, we committed ourselves to planning an "appreciation day" for the staff of Fuller Seminary. It will happen either late this quarter or fall quarter. Would you like to help plan an event like this? Does any specific aspect of this interest you? Drop me a note if you'd like to help. I think it ought to be a real fun thing to do. Also, if there is something you'd like to see brought up or the agenda for Student Council, let me know. (Harold Otterlei, Box 202)

But others, though having burned the oil in their lamps and labored also to finish the course, look anxiously but fail to find their names on the long list. Young man, incline thine ear to hear and young maiden, permit not this warning to fall upon deaf ears.
