First-Time GSL Borrowers If your very first GSL will be for a period of enrollment beginning on or after July 1, 1988, your interest rate will be 8% through the first four years of repayment, and 10% thereafter.

ALL '88/'89 Borrowers If your loan period will begin with the Fall '88 Quarter, applications and supplemental forms should be submitted on or before Friday, July 1 in order for the check to arrive in time for Fall registration.

• OFFICE OF FINANCE & ACCOUNTING

Student Account Payment Procedures

Beginning Fall Registration 1988, effective September 1: all students must pay a "registration fee" at quarterly registration. This registration fee (or minimum payment due at time of registration) will be $200 for every student, regardless of the number of units for which they are registering. This fee will be similar to a down payment and apply to tuition and all required fees (ASC, SRF, student health insurance). Other fees, which will be added to the registration fee amount and due at time of registration include parking fees, computer lab fees and PAC/YMCA membership fees. For students with loans pending and on an approved list from the Financial Aid office, the registration fee will be $100 plus any optional fees.

• HEALTH INSURANCE

Deadline June 24

For all students who want to buy health insurance through Fuller for Summer Quarter or make any cancellations or additions, you must do so and pay by Friday, June 24. Continuing students may purchase insurance for the summer only, even if they are not registering for classes.

Graduating Students

Unfortunately, graduated students may purchase insurance only if they are registered for classes in the summer. If you have any questions, please call Student Concerns at 584-5435.

• SCHOOL OF WORLD MISSION

Wednesday Noon

No Wednesday noon fellowship this week due to Finals week scheduling.
