MORE IMPORTANT INFORMATION ON THE BACK --->
REQUEST TO WITHHOLD DIRECTORY INFORMATION. Under the provisions of the Family Educational Rights and Privacy Act of 1974, the Seminary has designated certain information (name, address, FTS mailbox, telephone, denomination, degree program, enrollment status, current load, dates of previous enrollment and degrees awarded at Fuller) as "directory information." The Seminary may publish or release this information at its discretion. If you do not want this information released, you must notify us by completing the appropriate form in the Registrar's Office no later than Friday, March 31.

WINTER QUARTER GRADES AND TRANSCRIPTS. Grade reports will be in the mail (and posted on transcripts) by Friday, April 7.

SPRING QUARTER FINAL EXAMS. Please take careful note of the scheduled days and times for final exams. These are published on the quarterly schedules, and are not necessarily the same as regular class times. Students are expected to take exams when scheduled; you are not permitted to take final exams at any other time without approval by petition (faculty members do not have the authority to approve such changes). This is normally only possible in the case of three or more exams scheduled on the same day, serious illness, or a major personal or family emergency. Lack of preparation, last-minute disruptions of study, inconvenience, normal work conflicts, conflicting plans, and similar circumstances do not provide a basis for petition. Except in the case of serious illness of longer duration, only a few days variation will normally be permitted in the final exam time. Also remember that scheduled final exams are not part of an Incomplete.

When you make your plans for the end of the quarter, start with your scheduled final exams. They are a fixed part of the quarterly schedule.

SPECIAL NOTES FOR GRADUATES

If you plan to complete your degree requirements Spring Quarter, your Application for Graduation must be filed no later than the end of the first week of Spring Quarter classes (Friday, March 31). If you plan to complete your work Summer Quarter, but participate in the June 1989 Commencement under the Summer Graduation policy, the same deadline applies. See your academic advisor for details. The sooner you apply, the sooner you will receive information, ticket applications, order forms, etc. If you do not apply by March 31, there is no guarantee that you will be able to participate in any of the Commencement activities.

GRADUATION ANNOUNCEMENTS. Graduation announcements are now available in the Bookstore. Order forms are also available there for personalized name cards to accompany the announcements. Name card orders take 7-10 days to fill. Announcements are limited to stock on hand. Don't wait until the last minute or you may be disappointed!
