SPECIAL ANNOUNCEMENTS

At the beginning of the 1980-81 academic year, we are presenting for your information the policies which govern the SEMI and the campus bulletin boards. These policies, adopted in October, 1979, have been designed to enhance our ability to function as good stewards with the resources available to us, while we attempt to perform a much needed service of institutional communication. During the summer, we have designated the various campus bulletin boards with Titles, Purpose Statements, and Policy Statements. It is our hope that you will make use of the bulletin boards as much as possible, and that the SEMI can be reserved for notices of total community interest. We would be pleased to receive any suggestions you care to submit in written form which might better help us to achieve these goals.

Cecil M. Robeck, Jr.
Director of Student Services
SEMI POLICIES:

1. The Director of Student Services reserves the right of editorial control. Thus, some notices may be rewritten to conform to the needs of brevity and clarity dictated by the format of the SEMI.

2. Advertisements from outside the Fuller Community will not be accepted unless they are deemed by the editor to be a service provided to the Fuller Community or a significant constituency of the Fuller Community.

3. Advertisements from within the Fuller Community will not be accepted if there is a bulletin board provided on the Seminary grounds which is clearly designated to be used for the item or service advertised.

4. Notices of upcoming events will be published two weeks in advance of the event, and one week in advance of the event. In the case of events having a singular impact upon the general welfare of the Fuller Community or a significant constituency within the Fuller Community, exceptions can be made at the discretion of the Director of Student Services (e.g., notices for polity exams).

5. All cost centers will be encouraged to submit notices no longer than 10 lines. In the event that an individual cost center wishes to place a notice of ½ page (30 lines) or more, the cost center submitting the notice will bear the cost of publishing the information (e.g., Bookstore list of titles).

6. In the interest of saving space, no artwork will be accepted.

7. Notices may be submitted to the Director of Student Services until 12:00 noon on Tuesday of the week prior to publication. No late notices will be accepted. This policy guarantees that the SEMI can be written, typed, proofed, and run by Friday each week.

8. Notices of 30 lines or longer will be placed at the end of the SEMI in a supplemental section which will be marked as the SEMI SUPPLEMENT. All such notices must be received in camera-ready final form.

BULLETIN BOARD POLICIES:

1. The Director of Student Services reserves the right of management for all bulletin boards and easels on the main floor of Payton Hall and surrounding areas. This includes judgments regarding the appropriateness of items placed on these boards, as well as the designation of specific boards to meet specific needs.

2. All boards are to be monitored on a regular basis by the Director of Student Services, or a person designated by the Director.

3. All boards are to be equipped with a Title, Purpose Statement, and a brief Statement of Policy.

4. The Policy Statement may vary on each board, depending upon the purpose of the specific board.
5. All notices must be signed (first initial, full last name, and box number or address) and dated at the time they are posted. No unsigned notices will be allowed.

6. Notices placed on boards other than those designated for the use of specific cost centers, official committees, the Board of Declaration, or Want Ads, must be submitted to the Director of Student Services for approval.

7. The Director of Student Services reserves the right of editorial control on such notices as fall under #6 above.

8. Users of the SEMI will be encouraged to use the Bulletin Boards whenever possible.

9. Bulletins on other than approved boards will be removed (e.g., walls, windows, doors, etc.).
