*TRI-PHASED FORMATION PROGRAM*

*DEADLINE EXTENDED TO OCTOBER 10*

Fuller's Spiritual Life Committee has extended the deadline for registration for the Tri-Phased Formation Program (a program designed to encourage personal spiritual growth) in order to accommodate many who wished to have more time to consider participation. Because this program is new, some students still are unsure how they might fit in. Basically, if you are an incoming student (Fall 1980), in any degree program, you will be able to participate in the Tri-Phased Program. If you are a returning student (having entered Fuller before Fall 1980) you are eligible to participate in the second phase of the program -- spiritual direction. Other options are available to you if you contact Pam Powell (790-8149). This year fees are being charged for spiritual direction in order to help find the Office of Christian Community. If the fee is prohibitive to you, scholarships are readily available. The Tri-Phased Formation Program is one way to make an intentional commitment to your own personal spiritual growth. All of us on the Spiritual Life Committee encourage as many students as possible to participate.
